'Untrue' Says City Manager

City officials bristled this past week over remarks made at last week's Chamber of Commerce board of directors meeting at Cypress Hills golf course.

Answering statements made by Chamber of Commerce director Frank Martorana, city manager Edward Frank replied:

Support Legislation For More Judges

The San Mateo County board of supervisors voted on February 14 to support legislation to give San Mateo County three more judges.

The assembly bills endorsed by the board call for a second judge in the Municipal Court in South San Francisco and two new Superior Court judges.

One of the Superior Court judges would be appointed this year, the other next year. The new municipal court judgeship would be filled this year. The resolutions of endorsement were asked by Assemblyman Leo J. Ryan.

"Statements have been made recently by Frank Martorana, chairman of the Daly City Chamber of Commerce industrial committee, concerning the annexation of lands in the Bayshore City area. These statements, which appeared in the press, have been misleading, ill-advised, and in some cases untrue. The city manager and city attorney, therefore, prepared this joint statement in reply to these remarks.

"Martorana has stated that Brisbane has no moral or ethical right to the lands it proposes to annex and that geographically we are the most logical city to annex the area. As to the latter point, Mr. Martorana has not looked at a map recently! As to the former point, we can only say that if Brisbane's motives are in fact that of a land grab, it is a land grab with the consent of the vast majority of landowners involved. In fact, pertinent inquiry has revealed that the initiators of the annexation proceedings are the property owners and not the City of Brisbane.

"In any event, there is little we can do about Brisbane's alleged lack of morality since the courts in these matters rule only the legality of an act and not on the motives behind it.

"Martorana suggests that Daly City fight the matter in court. On what grounds, since no Daly City lands or residents are directly involved? More important, the affairs of cities are not so unsophisticated that we may attack one another indiscriminately each time we do not have our way! "He is further quoted as saying that more than 12 voters have been found in the area proposed for annexation to Brisbane and that this means that Brisbane has attempted to annex under the wrong act.

"If he is in possession of information which would tend to invalidate the Brisbane proceeding, this information should be made available to proper officers of the city and should not be the subject of suggestion, innuendo, and inference.

"Martorana has accused the city of negligence in pursuing its interest in this matter. This is simply untrue. We have contacted the Southern Pacific Company, Pacific Gas & Electric, and other property owners in the area and have systematically presented all the facts and arguments to these property owners in an effort to encourage their annexation to Daly City. The fact is, that since the Southern Pacific owns 51 per cent of the land in the area to be annexed, it can defeat any protests by other property owners—and the Southern Pacific has not been persuaded by our presentations! No possibility has previously existed for the City of Daly City to effect any annexation to the east of its present boundaries.

"Under the law, a city cannot initiate annexation proceedings without appropriate consent of property owners. It can only encourage annexation, which we have done. The actual moves to annex must be made by property owners or residents of the area involved, who must also vote on the matter. This interest on the part of the people of Bay-

SM Monorail Plan Lauded

A proposal for a monorail rapid transit system between San Francisco and Palo Alto was received enthusiastically last week by San Francisco and San Mateo County officials.

They applauded plans to finance the project with private capital at no cost to property owners.

Sixteen Holmquist, monorail manufacturer, said his form of transportation is noiseless, electrically powered, running silently on an overhead concrete beam supported by slender, architecturally pleasing columns.

He said that without interference from street traffic, the trains move fast and are capable of speeds up to 85 to 90 miles per hour.

Applauding the plans were San Mateo County Supervisor T. Louis Chess, a retired Southern Pacific official; Alvin Hatch, chairman of the San Mateo county board of supervisors; Supervisor Harold S. Dobbs of San Francisco, and Supervisor William C. Blake of San Francisco.

Broadmoor Policeman Catches 2 Burglars

A Broadmoor policeman nabbed two burglary suspects on February 17 who had eluded pursuing South San Francisco police.

Officer Merrill Baxley heard a radio call from the South San Francisco police, describing the suspects who police said had burglarized the South City car wash at Linden avenue and El Camino Real.

Baxley spotted the car at Junipero Serra boulevard and Eastmoor avenue with Robert Phillips, 22, and Henry Lee Burdick, 18, traveling at a moderate speed. He stopped them at Westlake avenue and Junipero Serra in Daly City.

Hospital Director to Address Chamber

George Hill, director of Mary's Help Hospital, will speak before the Daly City-Colma Chamber of Commerce on February 21 at 12:15 p. m. at Cypress Hills golf course, chamber president Bernard Lyett announced.

To Publish A New History Of SM County

Members of the San Mateo County Historical Association are being advised of contemplated plans to publish a new History of San Mateo County some time in April.

The new book will cover all county history from the time of Portola's arrival in 1768 to the present time. Of current interest are the chapters devoted to the development during the past 20 years of newly incorporated cities, such as Pacifica, Woodside, Westlake and Half Moon Bay.

The historic beginnings and the recent rapid expansion of older communities, including San Bruno, Daly City, South San Francisco, San Mateo and Belmont, are also discussed.

The new history will contain about 150 pages of text and more than 100 photographs, many of them old ones from the Historical Museum. It will fill a long-felt need in schools and public libraries and help to acquaint newcomers with San Mateo's colorful past.

Members of the association and all citizens interested in local history are invited to make application at once to the "Book Department," Historical Museum, 120 Baldwin avenue, San Mateo.

Advance subscribers will receive an autographed copy of the original printing of the new history, signed by the author, Dr. Frank M. Stanger, county historian. Further information can be had by writing or telephoning the Museum, DI 2-1421, book department extension.

POLICE AWARD — Chief Roland Petrocchi, of the Daly City Police Department, presents a plaque attesting to the Daly City Police Department's adherence to standards for selection and training of police officers.

Daly City Gets Police Award

Daly City last week kept up its reputation for having one of the best police forces in California, as Chief Roland Petrocchi received a peace officers award.

The city of Daly City, on February 14, was presented with a check in the amount of \$200.00 as its share of the 1962 interim allocation from the California Peace Officers' Training Fund. The city of Daly City also was awarded a certificate attesting to its adherence to the standards for selection and training of peace officers established by the Administrative and Penal Codes of California and administered by the Commission on Peace Officer Standards and Training.

Chief Petrocchi accepted the check on behalf of the city of Daly City at a zone meeting of high ranking law enforcement officials called by Attorney General Stanley Mosk. The meeting was held in Palo Alto.

Daly City is one of 282 cities and counties which have adhered on a voluntary basis with the California Peace Officers Standards and Training Program. The program has been in operation since October, 1960. During that period, jurisdictions which adhered to the standards have received a

School Supt. Vote in April

San Mateo County voters will be asked again this year to approve a charter amendment to make the job of county superintendent appointive rather than elective.

The board of supervisors last week authorized submission of the amendment to the electorate at the county-wide school election, April 16. The amendment was voted down, along with several other charter changes, in 1961. The vote against the proposition then was 30,785 no and 20,924 yes.

Chamber Urges Stronger Policy

A Daly City-Colma Chamber of Commerce official warned last week that what Brisbane is trying to do in its attempt to annex 10,000 acres of Brisbane industrial land is "morally and ethically wrong."

At a chamber directors luncheon last week, director Frank Martorana condemned Daly City's attitude of not wanting to "step on anybody's toes" in the annexation.

"I don't know why, when this action of Brisbane's is a land grab," he said, Martorana added that he expects a let down on the part of annexation interests because when Bayshore becomes part of Daly City they will have no reason to continue their pull away from Brisbane. Martorana said Daly City has as much right to the Bayshore industrial lands as anyone else since Daly City has contributed as much to these districts as anybody else.

"Unless we take a pretty solid stand," he said, "the people of Bayshore City may quit their lawsuit against Brisbane's annexation proceedings. Then someone else will have to take up the fight." He suggested Daly City fight the matter in court.

Martorana spoke hopefully of eventual annexation of the

Set March 16 Deadline on Unification

Northern San Mateo County school boards are fighting a March 16 deadline for a tentative report to the San Mateo county committee on school organization.

The county committee gave the boards 90 days to come up with an acceptable plan other than the committee's proposal to unify the districts.

Representatives of Laguna Salada, Jefferson Elementary and Jefferson High School last Wednesday presented written proposals for study by the other boards. A fourth proposal was submitted by Robert Smice, a member of the Citizens Advisory Committee, which originally studied the unification question in San Mateo County.

The Brisbane board indicated it would prefer unification of Bayshore, Brisbane and Jefferson. Jefferson High School board spokesman Elio Fontana said his board would oppose the splintering of the high school district. Laguna Salada's proposal asked the retention of its own individual district and the high school district and unification of the Bayshore district — and or Brisbane elementary district with Jefferson elementary or South San Francisco.

The Jefferson Elementary board recommended that Laguna Salada be permitted to unify along its own boundary lines, and that Brisbane and Bayshore be invited to unify with Jefferson Elementary. The boards set their next meeting for March 7.

26 Teachers Attend Local Govt. Talks

Twenty-six teachers of social science from the local high schools attended a "Seminar in Local Government" on February 7 at the City Hall 75 Wellington avenue in Daly City.

The city recorded the seminar and is in the process of publishing the presentations for future reference for the teachers. In addition, the city is preparing a bibliography of materials available at the city hall and the city library which might be used in the teaching of local government.

The bulk of this program was presented by City Manager Edward Frank and various department heads.

Neville Ford Plans An Automotive City

Neville Ford has started construction on a new modern dealership that will cover one city block on the premises of the former Stockton Lumber Company, located at 6100 Mission street in Daly City.

This is the first Ford dealership to be built in Daly City in the last ten years that has been planned and designed to meet all automotive needs.

The Ford dealership will be a complete "automotive city" within one huge city block offering easy access to customers.

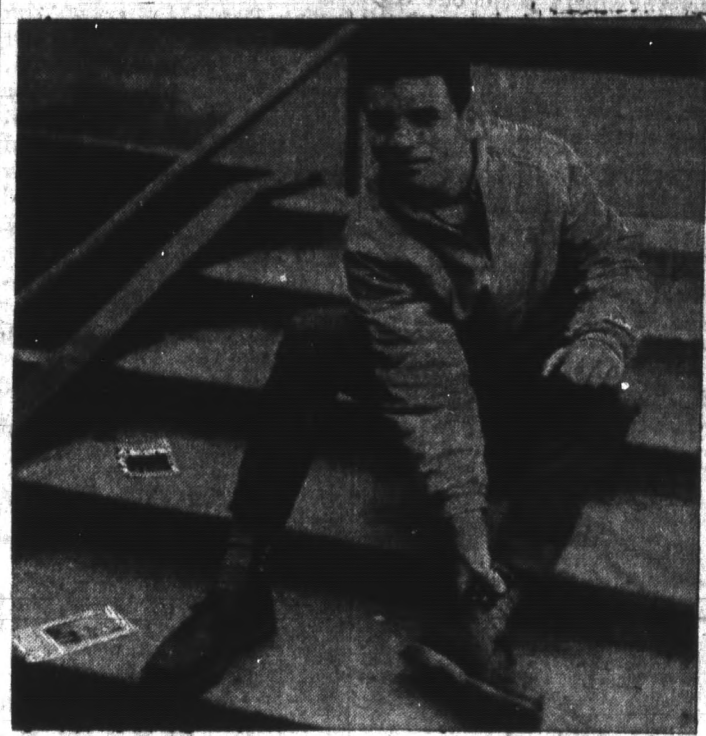

The new car showroom will have a unique architectural feature of a display area for new cars on its roof.

The used car location will be immediately next to the new car showroom facing Mission street and will feature

modern facilities for used car display and sales.

All of Neville Ford's service facilities will be equipped with the most modern equipment and facilities. The service area will encompass more than 30,000 square feet and the parts department will be expanded to twice its present size, meaning that Neville Ford will now serve as a major parts house for all of its trade area.

This new dealership will have over 90,000 square feet of space for new car sales, used car sales, leasing and fleet department, service department, parts department and body shop all centered within the one city block making the Neville Ford dealership in fact an "Automotive City."

Donut Shop Employee Hikes Fifty Miles

Steve Pressley, 17, an employee of Susie's Donut shop in St. Francis Square, Daly City, wore out two pairs of socks, but appeared none the worse for a 50-mile hike from San Jose to San Francisco, which he completed in 18 hours last Sunday. He plans to try it again this Friday as part of a bet with Tom Sanders, KYA disk jockey.

Sanders, he said, has promised him a transistor radio if he is beaten. If Sanders wins he gets two dozen donuts from the shop.

Pressley, a compactly built young man with a dark shock of hair, made the hike with his friend "Herb" of San Francisco. They started at 6 a. m. Sunday and made it into San Francisco in the wee hours of Monday a. m.

Highway patrolmen, he said, wouldn't let him on the Bayshore Freeway. "It's quicker, but we had to go on El Camino Real all the way."

Pressley said when he started out there were just the two of them, but he met some 250 hikers near the end of his long journey. Pressley said he gets in shape "covering many

County Will Get Hwy. Tax Money

Highway user tax funds apportioned in January totaled \$33,213,419, State Controller Alan Cranston announced this week.

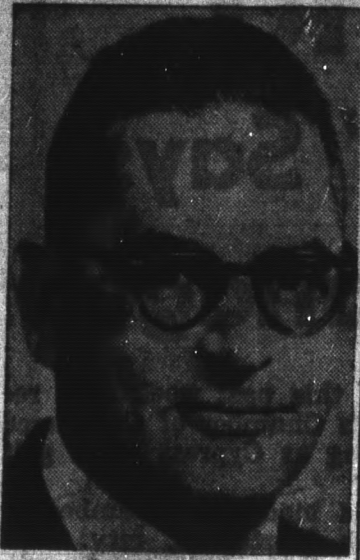

Cranston said a total of \$189,223 went to San Mateo county for road-building and maintenance purposes.

The apportionment, Cranston said, represented an increase of \$978,482 over the total distribution for the preceding month, and an increase of \$1,462,237 over the distribution for the same month of the previous year.

The money was obtained from the following taxes:

Gas tax, \$30,971,589; diesel fuel tax, \$1,250,650; transfer from motor vehicle funds, \$989,967, and miscellaneous, \$1,213.

City Blasts

(Continued from Page 1) shore City area has not been evident until recent months. "If the chairman of the Chamber's industrial planning committee has evidenced bona fide interest in this problem prior to the Brisbane proceeding, the City of Daly City is not aware of such interest. The only evidence of action from the chairman is a letter addressed to the city more than a year ago urging an interest in the lands to the east of Daly City."

"Such interest on the part of the city has been manifested and every available avenue has been explored. But the simple fact of the matter is that annexation requires consent, and without consent they are not possible."

"Officials of the City of Daly City have in the past endeavored to achieve annexation of the area known as Brisbane to Daly City. Officials of the City of Daly City have endeavored repeatedly to discuss proposed developments in the Crocker lands and have repeatedly discussed with the Crocker people the possibility of annexation."

"As was stated above, no possibility of annexation through the Bayshore City area has existed since the people of that area had not previously evidenced interest."

"Instead of broad denunciations and advocacy of the 'law of the jungle,' it would have been far more pertinent for Mr. Martorana to have solicited the cooperation of the city council and the administration, to have shared with these persons any information he possesses, and to have offered his assistance wherever possible. However, he should have done these things long ago."

"Rather, all we have heard are observations as to the morale and ethics of this matter, and that law suits should be instituted—whether with foundation or not."

"It is the belief of the City of Daly City that we are ruled by law, and the judgments to be made should be predicated upon applicable law and not upon wishful thinking and dramatic but questionable allegations of land grabbing, immorality, and illegality."

TOO HOT TO HANDLE (the trying part, of course), but Susan Arnold, a sunny-side up type from San Mateo, has no intention of getting burned as she practices her hand at the skillet in one of the ultra-modern kitchens which will be on display at the forthcoming Bay Area Decorators and HI 21 Show, March 6-10, at San Francisco's Cow Palace.

Strongly encouraging the A.F.S. program throughout the country, Chare said that her ideas about the "rich, smug Americans" were completely changed when she came to this country. When she returns to Greece, she will be able to tell those around her, "I found that in America the people are very friendly and simple." People, she continued, "are very much the same in all countries."

END OF LINE DRIVING IS DANGEROUS

If you happen to be driving at the end of a long line of cars and the line comes to a sudden stop, you will have more difficulty than the other drivers in coming to a stop in time.

Not only are you in a poor position to see when the stopping starts, points out the National Automobile Club, but there is a sort of snap-the-whip action at the end of the line that makes the stopping more abrupt and more dangerous.

Ships Of The Desert Once Sailed Through The West

Winter is a time when motorists, like the birds, seem to head south.

If you head south and pass through the little mining town of Quartzite in Arizona you will undoubtedly spy there a monument to an Arab camel driver who was born to the name of Hadji Ali but was known by the natives as Hi Jolly.

A simple pyramid of stone and mortar topped by the metal silhouette of a camel, the monument, erected by the State of Arizona in 1936, made what was probably the last official comment on one of the strangest episodes in the history of the United States Army.

It all started, according to the National Automobile Club, when Secretary of War Jefferson Davis suggested that camels, the great ungainly animals that could carry over 1500 pounds some 50 miles per day, might be the answer to the problems of communication and transportation in the deserts of the Southwest.

Easily convinced, Congress set aside \$39,000 for the project and commissioned Lieutenant David Porter of the United States Navy to sail his U.S.S. Supply to Smyrna, Constantinople, and other ports, purchase camels, and bring them back to the United States. Lieutenant Porter made two trips before the end of 1856, landed 74 camels and 15 cameleers at Indianola, Texas, whence they were moved to a permanent base at Camp Verde near San Antonio.

Camel trains then started

moving across our deserts. Such trains caused some disastrous stampedes of cattle, incurred the wrath of many cattlemen, but did a real job for the United States Army. Under the care and guidance of Hadji Ali and the other cameleers, the camels prospered.

With the Civil War, however, disaster came to both Jeff Davis and his camels. With the exception of Hadji Ali, then known throughout the Southwest as Hi Jolly, all the cameleers were mustered out of the army and sent home. Stubborn muleteers took over the stubborn camels and soon the great beasts were suffering from the harsh treatment of the new masters and the harsh, foot-cutting sands of our Southwestern deserts.

Soon the army sold the weakening camels or turned them loose in the desert. There they might have survived but the cattlemen set about settling an old grudge against the camels, and the Apaches found that camel meat was good to eat. In 1920 what was probably the last surviving camel was reported seen on Camelback Mountain near Phoenix.

Hi Jolly, mourning over the sad fate of the animals he loved so much, was mustered out of the army in 1870, stayed in the Southwest as a prospector, and died almost penniless near Quartzite in 1902. Thirty-two years later the State of Arizona remembered him with that monument of mortar and stone.

Lots of talent in our midst! Tina Chirole of 655 Larchmont in Daly City has a veritable arts and crafts gallery at her home.

Her work, which started as a hobby in Long Beach, now consumes much of her time. The work has to be seen to be appreciated. Copper creations, copper tooling, nudes in copper, mosaic tables, and portraits in copper peek from every corner of her living room.

Tina attended Jefferson High School, Balboa High and was graduated from Oakland Evening High School. She has two children, Bruce, 16, and Bonnie, 15, both Westmoor High School students.

During vacations, Bruce and Bonnie make arts-crafts objects at home, and often sell them as a means for pocket money.

Tina has displays of her work at Cypress Hills golf course, Club First Cabin and Ye Old Fire House and at Luigi's in San Francisco.

She received no formal training for her work. Strictly a (follow lines) copy artist, she works mostly with "a number two pencil and an ice cream stick." With these tools, she follows a portrait. Then she paints a flat black background to give the effect that the figure is cut out.

A former Daly City artist, Jack Mogan, does many of her sketches for her. Tina would like to eventually open a shop.

Tina, a brown-eyed brunette, says this arts-crafts work is quite common in Long Beach. "You know, in Long Beach everyone does it. Everyone makes pine needle baskets down there."

However, it would appear doubtful that many of the Long Beach residents are quite as artful as she.

Heart Volunteers To Call Sunday

Almost 10,000 Heart Sunday volunteers in San Mateo County will be calling on their neighbors starting this coming Sunday, February 24, continuing their Heart Fund calls through the following Sunday, March 3.

In Daly City and Colma, Mesdames Barbara H. Kerska and William P. Goszulak are Heart Sunday city co-chairmen, leading 800 volunteers in this neighbor-to-neighbor campaign. Mrs. J. B. Wiener, Jr., also of Daly City, is North County co-chairman.

Each volunteer will visit approximately 10 to 20 families in her immediate neighborhood. An official identification tag will be carried by each volunteer. The volunteer will ask for contributions to the Heart Fund and will also leave a memorial gift envelope for use during the year. Families not at

home during the campaign will also receive this memorial gift envelope.

Mrs. Richard E. Shipley of Millbrae, doctor's wife and former nurse, is Heart Sunday chairman, assisted by co-chairmen, city chairmen, area chairmen, district captains and volunteer workers representing the 20 communities in San Mateo County.

"Research, education and community service are the San Mateo County Heart Association's major weapons in fighting heart disease," said Mrs. Shipley. "These programs are only possible through the generous support of families in San Mateo County. In the research area, our funds are often matched by funds from other heart associations; sometimes our support for a single project is entirely our own undertaking."

HEART SUNDAY co-chairman, Mrs. William P. Goszulak of 266 Miriam street, is serving as Heart Sunday co-chairman for Daly City and Colma with Mrs. Barbara Kerska in the Heart Sunday campaign starting this coming Sunday (February 24). Mrs. Goszulak has moved up from one responsible position to another in Heart Sunday campaigns, first as district captain and then as an area chairman, said Mrs. J. B. Wiener, also of Daly City, Heart Sunday co-chairman for the North County. "We are delighted to have her continuous participation in this important fight against heart disease," Mrs. Wiener declared.

State Tops Nation In Timber Production

While California was sawing away at the title of most populous state in 1962, it was quietly undercutting another traditional New York claim as the nation's most important timber producing state.

For the first time, California had more people working for more income to produce wood products worth more than those of any other state. New York, first in overall importance off and on since the early 1800's, slipped to second place in the 42-month period just ended.

The economic axing job was announced by William Beatty of Redding, chairman of the California Forest Industries Committee. The figures are based on statistics and year-end estimates of the California State Chamber of Commerce, United States Department of Commerce, New York Conservation Department and the New York Forest Industries Committee.

Big Paychecks
The state set a new high record in numbers of persons employed in logging, forestry and wood products distribution and manufacture. Its total of 108,000 tops New York for the first time by almost 14,000. Oregon ranks third with 74,000 employees.

Paychecks totaling more than 507 million dollars were taken home in 1962 by workers in California's wood-based industries. That's 50 million dollars higher than New York. The value-added figure of lumber, plywood, hardboards, pulp, paper and allied products was greater in the Empire State for more than a decade prior to 1960. In that year, California trailed by eight per cent.

Tree Farms
California's new high total of \$1.1 billion will exceed New York's by about \$100 million and Oregon's by almost \$300 million.

The new figures are not big enough to upgrade the status of the industry as the state's third largest industrial group, behind food and transportation. Logging or the manufacture of wood products is a major industry in 36 counties.

California now pulls rank on New York in number of tree farms, the amount of timber harvested — 5.2 billion board feet versus 1.1 billion — and in sales of Christmas trees, lumber and wood building materials.

The most significant comparison, Beatty said, "is the 66.7 billion cubic feet of timber that is added to California forests each year. We are growing new wood six times faster than New York."

Oregon maintains its top spot as a lumber producer with 7.5 billion board feet, but California is second with five billion while New York fails to make the top ten list with 368 million.

Commercial forest acreage here is 17.3 million with about 2.7 million in tree farms. New York claims 12 million acres, of which 146,000 is in private tree farms.

Beatty attributed California's emergence as the number one timber industry state to increased utilization of wood in both forests and mills. The value of trees on the stump has grown in recent years, encouraging loggers and millmen to adopt tighter conservation measures.

WOOD PRODUCTS BOXSCORE — 1962

	New York	California
Employees	92,100	106,000
Payroll	\$427 million	\$507 million
Value added	\$1 billion	\$1.1 billion
Timber cut	1.1 billion b. f.	5.2 billion b. f.
Lumber mfd.	368 million b. f.	5 billion b. f.
Paper/board mfd.	1.7 million tons	1.5 million tons
Forest acreage	12 million	17.3 million
Tree farms	220	375
Trees planted	22.4 million	17 million
Acres planted	40,400	34,000

Among other reasons given for topping New York in 1962 is the recent rise in the number and capacity of California plants making and converting pulp, paper and paperboard. Their output is now about equal to that of New York and increasing steadily. The higher value and usefulness of California's pines, redwoods, and fir over eastern species is cited as another factor. In addition, Canadian lumber imports recently have depressed the New York markets.

Dolwig Starts Election Bill

A bill to keep the election polls open until 8 p.m. was introduced today by Senator Richard J. Dolwig, of San Mateo County. The current election code states that polls will close at 7 p.m. except in areas that have electronic vote counting devices.

Dolwig, who cautioned that electronic counting devices should not be confused with electronic voting machines, said such an amendment would be very beneficial in areas similar to San Mateo County. "It is a necessity for San Mateo County, which has such a large percentage of commuters, to have the polls open for a longer period of time."

Senator Dolwig pointed out that the average commuter is only in his voting area for a period of 45 minutes in the morning and one hour in the evening. If there is a traffic jam or the trains are late, then the time is even shorter.

ALSAC Director Is Daly City Man

Insurance man Theodore Essad, of Daly City, has been named director of ALSAC (Aiding Leukemia Stricken American Children) for the Greater San Francisco chapter. It was announced today by Joseph Ayoub, ALSAC regional director for California and Nevada.

ALSAC, a non-profit organization which raises funds in support of the St. Jude Research Hospital in Memphis, Tenn., is headed by the famed television, film and nightclub comedian Danny Thomas.

Essad, who lives at 1117 Southgate in Daly City, is personnel director of the Forest J. Curry Co., Penn. Mutual Life Insurance Co. representatives.

Olympia Proxy Wins Life Membership

Mrs. Nicholas Budea, president of the Olympic PTA, was the surprised recipient of the Honorary Life Membership in the PTA. The presentation was made at the monthly meeting by Mr. Morris Liston, chairman.

The \$25 is applied to a Student Loan Fund and helps to provide further education for worthy students in the teaching field.

Mrs. Budea, mother of three children, Nicki, 14; Vicki, 11, and Cindi, 7, is very active in community affairs. She has participated in the Cub Scouts, Little League, Girl Scouts, March of Dimes and K.O. Polio Drives. Mrs. Budea thanked everyone, especially her understanding husband, without whose support she could not devote so much time to those worthy projects.

Tomatoes are California's most valuable vegetable crop produced for commercial processing.

The Indian Head one-cent coin was minted without radical change in its design from 1858 to 1909.

NOTICE To Residents of San Mateo County

Every person shall file a written property statement, under oath, with the County Assessor, annually, setting forth, specifically, all the real and PERSONAL property owned, claimed, possessed, controlled or managed by such persons, at noon on the first Monday in March.

Said statement must be filed immediately after the first Monday in March and not later than March 31, 1963.

A form of such statement and any information relating to assessments will be furnished upon application to the Assessor's Office in the County Court House, Redwood City.

Japanese Businessmen Visit Cleaners

The St. Francis Cleaners in St. Francis Square Shopping Center, Daly City, received an unusual party of guests Tuesday morning as Japanese dry cleaning and laundry executives dropped in to study the plant.

Owner Charles Mabardi said the men considered his firm a model dry cleaning plant in Northern California shopping centers.

Their objective was to inspect an "on-premises" plant, with the object in mind of eventually setting up small plants of this type in Japan. One of the businessmen said he employed 3,500 workers who still work with the old hand-wash method.

The group was sponsored by Charles Waltz of Waltz Engineering, and Gary Deutsch of White Conveyor, both of San Mateo. They were to inspect also the San Jose Economy Cleaners, said to be the largest of its type in the Bay area.

The visitors included: H. Tateishi, of Kaperu Shokai Co., Tokyo; Kasuke Ikeda, director of the Tokyo Cleaning Co-Operative; Yoshio Kurashima, president of Kurashima Shoten Ltd.; Tsutomo Kodama, director of Kodama Dry Cleaning Co. Ltd.; Hajini Arai, managing director of Hayuyosha Co., dry cleaning, Tokyo; T. Tanaka, managing director of Nanuwa Dry Cleaning Co., Osaka, Japan; Tatsuo Teyuki, president of Toyuki Dry Cleaning of Kusado-Cho, Fukuyama City, Japan, and Tomatsu Takahashi, president of Nan-Yo-Sha Laundry and Dry Cleaning of Yokohama.

B'NAI B'RITH WOMEN will attend the annual donor luncheon to be held at the Jack Tar Hotel at noon on Wednesday, February 27, in the International Room. The luncheon will honor Mrs. Tauber, district No. 4 president. A musical will be presented, starring Diane Trehowan, and Ray and James Kramer. Arthur Wilson will be pianist and will narrate.

Tickets for the grand prize, two season tickets for the Civic Light Opera, are 50 cents. Mrs. Leonard Wassterstein and Mrs. Moris King are co-chairmen. Mrs. Roy Koss is in charge of reservations, and Mrs. Harry Weinburg is prize chairman. Proceeds will benefit the Anti-Defamation League; B'nai B'rith Youth Organization, veterans work, and U.S.O. activities.

Westmoor Rams Crush Jeff Indians

Victory Comes In Final Minutes

by Don Doe

There was a slow fuse lit at the Westmoor gym yesterday that took 31 minutes to hit the powder but the ensuing explosion annihilated the invading Jefferson Indians 50-41.

The Jeffs led by a precarious margin for most of the game. Enjoying a five point 22-17 lead over the hapless Rams at the half they took to the court after the intermission to find a different team waiting. The Rams had warmed to their task and held the Jeffs to seven points, while they poured in 12, leaving the score tied at 29 apiece going into the final stanza.

The Jeffs came out of a heated session with their mentor, Mike Orlich, and looked for the world as though the would wrap the game up with no further argument, jumping off with a quick points. Then the Rams caught fire, adding a well executed layup to two charity shots to tie the score.

The game then turned into a frantic whirl as the capacity crowd screamed themselves hoarse. Both teams, using a tenacious man-to-man defense, could grab the lead for only a few seconds as everybody turned hot.

Westmoor nearly reduced their new gym to rubble, running off five straight points to lead 40-37 with 3:35 left in the game.

Jefferson was not about to be counted out, however, and came roaring back with a beautiful one-hander that was followed by Keeling intercepting a pass, streaking down court and laying it up and in. The Jeffs had the lead back with one minute and 56 seconds left. But that was the end of the story for Jefferson.

Westmoor put in a lay-up, taking the lead back (42-41) with 1:26 remaining. Then Kelly pulled down a rebound, fed to Hix and in another seven seconds Westmoor led by three. Jefferson then tried a full court pass, only to have it intercepted and converted to another basket.

The Rams swarmed all over the Indians, pumping in four more points while the Jeffs hardly saw the ball. With the final buzzer, near chaos erupted. The Westmoor Rams, after trailing most of the way, had exploded for 9 points in just over a minute to win 50-41.

By pulling this game out of the fire in the last seconds, Westmoor kept their hold on first place in the NPL fight for the crown. The Rams were caught looking behind them in last Friday's tilt with Oceana, having crushed them in their first outing, 59-29.

The second game was a different story; however, as the vastly improved Sharks held the league leaders to a four point budge at the half. "The press made the difference," commented the Ram mentor Tony Giammona, as his quintet galloped to a 17-point spread late in the fourth quarter. Substituting freely, Giammona saw the margin dwindle to 12 points at the end of the game, winning it 49-37.

Westmoor faces the prospect of another rough game Thursday night at the S.S.F. cage. Giammona commented that they will have to beat them off the boards if they hope to win this one. He added that "any team can win on a given night in this league."

South San Francisco coach Joe Schroeder stated that his varsity five "can't give up 61 points (as they did in their last encounter) and hope to win." The Warriors, he suggested, will be putting most of their efforts into a solid defensive game.

Jefferson will take on El Camino on their home floor Thursday, and coach Mike Orlich is planning on an easier time of it. Commenting that Westmoorland and Aguilar can be a very tough combination, Orlich stated that his team was a better squad than the Colts, and that they "should handle them."

PFC J. E. DuPree In First Regiment

Marine Private First Class John E. DuPree, son of Mrs. Gertrude Y. King, of 337 Knowles Ave., Daly City is serving with the First Battalion of the First Marine Regiment, an infantry unit at Camp Pendleton, Calif.

The battalion currently is undergoing a training program to keep combat ready. The training ranges from cold weather operations in the Sierra Nevada Mountains to desert and amphibious exercises in Southern California.

SSF Nelmen Win Two

The South San Francisco High School Tennis team has started the season off with two straight wins. Poly of San Francisco was defeated 7-0 on Wednesday and the Warriors defeated a strong St. Ignatius team on Thursday 6-1.

In the Poly match Vic Escallier, Jim Eskelsen, Edison Louie, Terry Megna, and George Sallaberry won their matches 6-0, 6-0. The remaining two matches were won for the Warriors by Roy Abriani and Mike Momper, two promising 9th graders.

Perennially strong St. Ignatius was defeated thanks to single victories by Vic Escallier, Jim Eskelsen, Edison Louie, and Terry Megna, and the doubles teams of Carl Durham and John Ellsworth and John DeGraaf and Mike Kaup.

The Warriors will next meet Balboa on February 27 on our courts.

The S.S.F. victory over St. Ignatius demonstrates that this warrior team will be hard to beat.

Bid Opening

Bids will be opened at 3 p.m. March 8 at the office of the superintendent, 375 South Mayfair Avenue, Room 24, Daly City, for paper, school furniture, library furniture and machinery for the Jefferson Union High School District.

Looking for a Home . . .

Colt Racquetmen To Open Season

The 1963 tennis season will unfold for El Camino's Colts March 1 when they take on a huke-warm Polytechnic team from the city. The match will be played on the windy hill of El Camino.

The Colt yearlings are still looking for a league they can call home. The prospects for a NPAL tennis league in 1964 look bright. Terra Nova, Westmoor and Oceana now have courts and the necessary facilities to field a team.

This year El Camino will play an independent schedule of nineteen matches — thirteen at home and six away. This year's opponents are considerably stronger than those of last year. Added to the '63 schedule are Lick Wilmerding, Mills, Aragon, Washington and San Francisco State College JV's. The real stumbling blocks in the path of the El Camino squad will be the Northern California powerhouse, Burlingame High, tutored by Rube Beltran, the "Peninsula Fox," and South San Francisco High; a veteran-laden team.

The team will be led by Ron Reing, last year's team captain and number one man. Reing has improved his game at an incredible rate. He'll be pushed by a couple of lads who are also progressing quite rapidly. Ed Garner and Barry Pitt (the latter is a straight "A" student). Pitt should prove to be a real challenger for the number one post. He's steady and serious about every point.

Garner, on the other hand is a tricky shotmaker with most of the strokes he needs. However, he hasn't shown the competitive attitude necessary to win consistently.

Other returnees from last year's net squad include Bob Edwards, Jack Procky, Mel Guffey, Tom Holquin, John Lowe, Steve Papas, John Lowe, Dave Lewis and last year's number two man, Mike Stauffer. Top candidates for doubles spots include Gary Seghieri, John Batbie and Dave Bliele.

6th Grade Vikings Nail Lead

The PAL Vikings broke the Holy Angels Colts, 32-22, while retaining their hold on first place this week. The Vikings have a 6-0 record. Gary Ciardella broke out with a terrific point splurge. Ciardella collected 18 points for his team. Joe Morch collected 11 points to insure the Viking win. Timmy Dillon again starred for the Holy Angels Colts with eight points. The Colts put in a great effort but Ciardella, Morch, Orlich, Hector and Campos had just too much for the hard-fighting Colts.

The OLM Hawks were almost forced to share their No. 2 spot this week. The PAL Jets blasted off with a tremendous game against the Hawks. When the dust cleared, the Jets dropped the game by a single point, 33-22. Roche, Hampton and Arnke were the key men in the Hawk win. Ron Sandberg of the Jets took high point honors with 13 points.

BYA Bender Roofing came through with a surprise win this week in defeating the Sherith Israel Knights, 38-19. It should be noted that the Knights were missing a couple of their outstanding players. Joe Carrara led the Bender Roofing Cats with 16 points and high scoring Abe Shaffer backed him up with nine points. Strauss was the outstanding player for the Knights, collecting 11 points for his team.

The PAL Warriors picked up another win this week, defeating the OLFH Hilltoppers, 32-15. Tom Belvin took the Warriors out in front with an 18-point performance. Gugliemone kept the Hilltoppers in the game with eight points.

Gary, a slight youngster at 4'5" and 135 lbs., learned to bowl Serra and is now in his second year of league play.

HIHS big 299-643 series Tuesday marked the Sacred Heart High School graduates highest sanctioned score to date. Gary, presently holding down a job with the Folger Coffee Co., has future plans to become a professional bowler and instructor and is encouraged in this pursuit by his parents who, strangely enough, do not bowl regularly.

"Golf and tennis are both OK," said the young star when interviewed, "but bowling — it's terrific!" When asked when he began to think he might reach the bowlers dream, a 300 perfect game, he said: "After the 6th strike point." What was the most exciting moment in the game? "The 11th strike. Then I knew that I had one more ball to throw and it would all be over — one way or the other."

We asked Gary if he was at all nervous and whether he would do anything differently on that fatal last ball given another chance. "Yes, I was nervous," he replied, "but the worst of it was that everyone in the house had quit bowling."

Serra Bowl News

The highest single score in Serra's history, a thundering 299 game, was shot last Tuesday night in "775 BOOZERS" sanctioned league action. The big chance to join bowling's elite "300 Club" came to Gary Gil, currently packing a 165 average, in his second game. After tossing eleven-in-a-row the 19-year-old's strong hook plowed into the 1-3 pocket only to leave a stubborn 10 pin wobbling in its wake.

Fifth Grade Basketball

OLM Gaels Win Take Crown

The OLM Gaels proved their right to wear the championship crown in the 5th grade league this week. The Gaels downed their inter-school rivals, the OLM Dons, in a conclusive 32-4 ball game. Throughout the season, the Gaels have shown one of the greatest 5th grade scoring offenses to appear in the Daly City Recreation Department Basketball history. The Gaels have been noted for spreading the score over their entire team in their victories. This final game was no exception. Becker, Tabori, Pidgon, Glishinski all shared high point honors with 6 points each. Coach Tom Duffy has done a tremendous job with his young team. Their great passing, shooting, and defense work should carry this club to greater heights in the older leagues in future years.

Second place in the 5th grade league was conclusively nailed won this week by the PAL Eagles. They did this with a 46-12 win over the young PAL Jaguars. The Jaguars, while winning only 1 and losing 4 this year, showed a great deal of fight and as the entire team return to the 5th grade league again next

year should be a leading contender for the crown. Timmy Denning and his luckless OLFH Bumble Bees finally broke the ice. Denning collected 10 big points to take his Bumble Bees to their first win over the tough Holy Angels Lions. The Lions have been showing terrific improvement as the season moved along were held down by the tremendous defensive play of the Bumble Bees. Clark of the Bees backed up Denning with 7 points. John Shea was the Lion big gun with 8 points. The Bumble Bees along with the Jaguars all return to the 5th grade league next year.

Seventh Grade League

Three Way Tie For Loop Title

The Daly City recreation department's Seventh Grade League is all wound up in a three-way tie for first place. BYA Aero Motors, New Pisa Blues and the PAL Bears all share a hold on the crown.

Aero Motors held onto their share of the top spot with a well-earned win over the OLM Angels, 23-8. The BYA team, while not looking spectacular in any game this year, has consistently spread the scoring over the whole club and came up with the important thing — the victory.

This combination should be hard to beat as the teams move down to the wire as the pressure increases. Stang, J. Anboile and Fieldman figured prominently in this week's win over the Angels. The Angels did not seem to be able to get themselves into gear. Their inability to score is a real tribute to the Aero Motors' defense.

The New Pisa Blues grabbed their share of first place by defeating the PAL Wildcats.

Wilson, Hanson and Tong of New Pisa overshadowed the play of John Goodin, Fred Garcia and Tony Schrock by their contributions to the scoreboard. Both teams put up a great effort but the Blues hit the hoop with more consistency than the Wildcats in the 38-24 win of the Blues.

The PAL Bears gave the

BYA Matadors a 46-13 clanging. Dennis Smith took over both backboards to keep the Matadors from becoming a scoring threat. Grady Proctor, who played a great game last week, came through for his team again as high point man with 12 points. In addition to controlling the boards, Smith dropped eight points through the hoop.

The Ben Franklin White Falcons came through with a win this week over the OLM Angels, in spite of a 19 point performance by Budelj of the Golds. Williamson of the Falcons was high point man with 11 points for his team.

MHR Chiefs walked over the BYA Hotshots this week, 53-29. Perenes was high point man for the Chiefs with 13 points. Gred Deal collected 12 points for the Hotshots and Mario Rizzo hit ten for the Hotshots but again the spread of scoring of an entire team was the deciding factor.

New Pisa Manage Win

New Pisa's hold on first place in the 8th grade league was almost broken by the Cinderella boys of the PAL Vultures. The Vultures led by Jim Bliss with 12 points overcame the Red lead in the 3rd quarter to threaten an upset. Weipah, Chinn, Cassinelli, and Smith came through for the Reds to edge out the Vultures 28-27 in a terrific battle.

The PAL Big Warriors kept second place in the league with a 5-1 record due to a forfeit win by the MHR Crusaders. The Crusaders after rough defeats have dropped from the league. This fact will award all the 8th grade teams a win over this team. The OLM Saints coming from the big win over the PAL Tigers last week fell victim to Telvis Jones, G. Carter of the PAL Lakers. Jones hit 22 points and Carter 19 in their 51-40 win. Jim Davis star of the

OLM Saints did all he could for his team with 18. The Ben Franklin Green Falcons surprised the PAL Tigers with a 45-38 defeat. Green Falcon newcomer Tom Wuerthner from Lodi, California, hit 27 points. Coach Bill Mendosa had asked Coach George Pedroni if Wuerthner an ineligible player could play in this game as both teams were out of the running, and much to his regret Coach Pedroni consented. Wuerthner came through with a 27 point performance.

Cub Pack 84 Holds Blue - Gold Dinner

The annual Blue and Gold dinner of Cub Pack 84 was held on Boy Scout Sunday at the Westlake Bowl.

In the hot bowling competition before dinner, top Cub was Jack Jacob, who edged his teammates for first place trophy. At the other end of the scoring was Lindsey Anderson, who took home a consolation prize for the lowest score.

The invocation was given by the Rev. Herbert Tweedie of the Broadmoor Presbyterian Church, which sponsors Pack 84. Cubmaster Joseph Monks expressed the appreciation of the Cub Pack for this continued support.

A Cub Scout plaque, suitably engraved, was given to John Williams, past Cubmaster, as a memento of gratitude for his many years of service to the pack.

Special thanks were also given to Mrs. George Garcia, who arranged the dinner, with the cooperation of the Westlake Bowl, and to Mrs. Charles Fleischer of Den 10, who arranged the table decorations. Monks also commended the Saxe Realty in the Broadmoor Shopping Center for again giving the pack the use of window space for a display for Boy Scout Week. Mrs. Carl Nelson was in charge of setting up the window.

Welcomed into the pack as new Bobcats were Dave Archer, Richard Adams and Tim Cain. Other awards were as follows:

Wolf: Dave Archer and Kenneth Haxton. Bear: Michael Brandt and Dennis Haxton. Gold arrows went to Kenneth Haxton and Paul Grim. Denner stripes to Dave Archer and Larry Anderson, and Assistant Denner to Ricky De Leon.

It was announced that Pack 84 will tour the L. C. Ranch in San Mateo, and see an exhibition of Belgian draught horses.

Westmoor Grad Joins UC Davis Swimming Team

Ten returning veterans plus considerable new talent give the Cal Aggie swim team of Davis every prospect of success this season, which begins on Friday, February 22 against the University of the Pacific, at Davis, 4 p. m.

The two important newcomers, said Coach Hinsdale, are Ken Wallace from Alameda, and David Pass a freshman from Daly City. Wallace put in two years with the UC Berkeley swimming team and has had experience with the Alameda Swim Club. Hinsdale stated that Wallace will participate in the freestyle, backstroke, and medley events. Dave Pass comes to the Aggies from Westmoor High School in Daly City and has competed with the San Francisco Rowing Club and the Bay City Olympic Club teams.

Cadet Bushnell on Dean's Merit List

Cadet Mart H. Bushnell of South San Francisco has been named to the Dean's Merit List for outstanding academic achievement at the Air Force Academy, Colorado.

Cadet Bushnell also has been selected for the position of squadron material sergeant with the rank of cadet master sergeant.

The cadet, a member of the class of '64, will be graduated additional privileges and will wear the silver star on his sleeve in recognition of the honor accorded him by the Academy dean of faculty.

Cadet Bushnell, who attended the University of California at Berkeley, is the son of Mr. and Mrs. Mart P. Bushnell of 540 Parkway, So. San Francisco.

ACTION in last Thursday's NPL wrestling tournament. Wrestling in the consolation

round, Yuchase of Oceana defeated Walker of Terra Nova in a well fought match before

a crowd of more than 300. Terra Nova placed second in the meet while Oceana placed fifth.

NPL Wrestling Tournament . . .

SSF, Tigers Pin League

With only 15 seconds remaining in the two-day NPL wrestling tournament, neither tournament or final league standings had been decided. In the unlimited class, Hartman of Westmoor and Bancho of South San Francisco squared off in the championship round, while simultaneously, Lally represented Terra Nova and Wilson represented Oceana in the consolation round. Hartman had to win to keep Westmoor in contention for second place in the tournament, but if Lally also won his match there would be a tie for second place. This would have meant a point split that would mean an undisputed league leadership for tournament leading S.S.F. It either Hartman or Lally pinned their man, however, a bonus point would be awarded to the winner. This could have meant sole occupancy of second place for Westmoor, or for Terra Nova. If Terra Nova could secure a pin and Westmoor did not, they would also tie S.S.F. for first place in the league standings.

With the six teams and over 400 spectators filling the Oceana gym with excitement that fell on all four grapplers, the last matches were close contests that alternately threatened each team's aspirations. Hartman wrestled a match that coach Bill Carr called "a tremendous effort," winning by a decision. Then, in the last moments, Lally pinned Wilson. With this pin Terra Nova took sole possession of second place in the tournament and tied South San Francisco for the top of the league. The final team scores were: SSF-83, Terra Nova-77, Westmoor-76, Jefferson-57, Oceana-41, and El Camino-24. Although Oceana placed ahead of El Camino, the coast-side sharks stayed in their last place position due to their earlier loss to the Colts in dual team competition.

Westmoor and Jefferson hold third and fourth notches respectively.

The final match was an apropos culmination to a tournament that was marked by many closely contested battles. In the 191 pound championship match, Goranson fought to keep his teams hopes alive, winning an extremely close match over the Warriors' Sangalli by a decision in a bout that went into an overtime period. The Tiger's coach Roger Miller called this test a maximum effort, while Westmoor mentor Bill Carr referred to it as "the most exciting match of the meet." Carr also had praise for Reade and Clark who had swapped victories in several previous duals with their opponents, yet won their tournament matches for Westmoor.

South San Francisco's coach Ray De Jong stated that his entire team "contributed with a maximum effort." The win-

ning coach added that Gilton, who was "tremendous" all year was "curtailed by an infected hand" but nevertheless managed to finish second in the 120 pound class.

Another match cited as outstanding by several was that between Monge of Jefferson and Vermillion of Terra Nova, wrestling in the 133 pound class. With only 20 seconds left in the match Vermillion led Monge 2-1. In the last 5 seconds, however, Monge scored 2 points on a takedown, winning 3-2.

The wrestling mentors also agreed that the tournament was marked by a high degree of sportsmanship and "100 percent effort on the mat."

Summary:
95-lb. class: 1st, Becketead (TN); 2nd, Sinsert (W); 3rd, Lindsey (J); 4th Nelson (EC).
103-lb. class: 1st, Cunningham (SSF); 2nd, Cornett (O); 3rd, Foley (J); 4th, Holcum (W).

112-lb. class: 1st, Archveta (J); 2nd, Eli (SSF); 3rd, Yuchase (O); 4th, Walker (TN).

120-lb. Class: 1st, Clark (W); 2nd, Gilton (SSF); 3rd, Notmeyer (O); 4th, Soto (EC).

Deer Hunting Law Examined

The controversial law which would permit county boards of supervisors to veto either sex or antlerless deer hunts in their areas may get its first real test this year.

Even though the law has been in effect since 1957, it never really has been tested. But Jamie A. Smith, president of the state fish and game commission, indicated he felt it is time to give the supervisors the chance to exercise their veto powers, if they wish.

The law requires managers of the individual regions to report to the department of fish and game on herd and range conditions and make recommendations as to whether any antlerless deer should be taken in a given year.

Because public sentiment appeared to be against the commission and department in 1957, the commission has been more cautious. As a result, it has not held hearings in counties or proposed special hunts unless the board of supervisors requested the hunts.

"We should hold hearings in the counties involved. Then, if the supervisors want to overrule the professional people in the department who feel a hunt should be held, let them do it," Smith concluded.

Raiders Sign UCLA Coach

Oakland Raider General Manager-Head Coach Al Davis took a major step toward completing his staff for Oakland's American Football League club today when he announced the appointment of U.C.L.A. football coach Jim Dawson to the position of Director of Player Personnel.

The 25-year-old Dawson has five years of college coaching experience, all with the U.C.L.A. Bruins. He starred as a player on the Bruin teams of 1956-57-58. Following a series of injuries which balked his playing career midway through the 1958 season, Dawson immediately joined the Bruins coaching staff.

"He has a tremendous record as a coach in spite of his age," Davis commented. "Jim's reputation as a college recruiter is excellent. His familiarity with young college athletes plus his personality should make him a fine addition to the Oakland Raider organization," Davis added.

NHRA Drags at Half Moon Bay

Top Bay Area Dragsters are expected out in full force at Half Moon Bay Drag Strip this Sunday, February 24, 1963, for one of the outstanding thrill-packed dragster contests of the new season.

Sunday's events feature well-known dragsters from throughout Northern California. The highlight will be the run-off of the famous Chuck Flores Chrysler Fuel dragster. In his last outing at Half Moon Bay Drag Strip, Chuck did a spectacular 180 miles per hour down the 1/4-mile and won the Mr. Eliminator title in his class.

This increasingly popular speed sport will also feature a complete line-up of stock and super-stock entries with activities beginning at 8:30 a.m. Eliminations start at 12:30 p.m.

This event is sanctioned by the National Hot Rod Association. Grandstand viewing, ample parking facilities and concessions are available. Half Moon Bay Drag Strip: 26 miles south of San Francisco on Coast Highway No. 1 (Half Moon Bay Airport).

It's SPARE TIME

at Westlake Bowl
By JIM GREALISH

Ten 800 series were rolled in the 915 All-Star League last Wednesday night as Ray Avila led the way with 231-226-210 for a 667 total, followed by Glen Butcher with 663, Lefty Waggoner with 660 and Rich Knorr with 636.

Helen Sherwood bowled the first 200 game of her career as she led the ladies in the Daly City Employees League with 203 and 441, while Bud Terry led the men with 210 and 549.

John Maskeo of the Gallo Salame team set a new high series mark of 650 in the Mayfair Strike League as he shot a 224 high game.

Max King and Peg Brown were the leaders in the Ball and Chain Mixed Fives as Max shot a 219 game and 549 series, while Peg posted a 187 game and 511 series.

"King of the Lanes" at Westlake Bowl last week was not one of the 3000 adult league bowlers, but 16-year-old Bob Grout, who calmly rolled 11 consecutive strikes in the Junior Invitational Doubles then left the six pin on his last ball for a 299 total. His previous high was 244, while the former high game title holder was Bob Hood with 270.

Mary Adams continues to lead the way for the women. After shooting a 203 game in the City Tournament, she shot a 191 perfect game in the A-1 Nursery Ladies League on her way to a 528 series.

It was a family affair in the Canco League as Barbara Messenger set a new high series record with 553 three-game total while husband Hal led the men with a 221 game and 616 series.

Al Gordon and Wes Hill moved into first place in the Westlake Handicap Doubles at the close of the third week with a 1722 total. Their score won the weekly prize in the doubles division, while Hill moved into third place with a 670 in the Optional Singles and took home the weekly prize. More than 200 teams participated during the first three weeks.

Joy Bipes led the Tea Timers League with games of 183, 215 and 200 for a tremendous 598 series, only two pins removed from membership in the Westlake 600 Club.

Dolores Langford and Ed Johnson were the week's leaders in the Southgate Mixed Fives as Dolores shot 186/481 and Ed posted a 569 series on a high game of 205.

Exchange Student to
Speak at D. Webster
Founder's Day

The Founder's Day pro-
gram and unit meeting of the
Daniel Webster PTA will be
held tonight at 8 p.m. in the
multi-purpose room of the
Daniel Webster School.

Miss Helena Frissel, an ex-
change student from Stock-
holm, Sweden, now attending
Westmor High School will
be the guest speaker. She will
compare Sweden's and Cal-
ifornia's school systems and
teaching methods.

Mrs. John Pleskach, 17th
District vice president, will
be present, and will explain
the "silver offering" which
is taken on each Founder's
Day.

The kindergarten mothers
are the hostesses for the eve-
ning, and the display tables
will be arranged by the kin-
dergarten teachers. Mrs. Ralph
Munowitch, president, and
Mrs. Curt Edgerton, chairman
of Founder's Day, urge all
parents and teachers to at-
tend.

A special meeting of the
Honorary Life Membership
committee, Mrs. Ruth Rogers,
chairman, was held last week
and they chose two persons
to be awarded the Honorary
Life Membership during the
Founder's Day program.

Twenty-five dollars for each
award will be given by the
Daniel Webster PTA to be
put into a revolving scholar-
ship and loan fund, available
to qualified students and
teachers to further their ed-
ucation.

HISTORICAL GAVEL is be-
ing shown to (left to right)
Marjorie Markovich, Heidi
Barker and Nancy Hopkins.
The gavel will be used during
Fernando Rivera PTA Found-
ers Day program on February
26. The gavel is one made of
mahogany salvaged from the
original window sills of the
White House in Washington,
D. C., during renovation there
in 1950. State Assemblyman
Leo J. Ryan of South San
Francisco and school trustee
Wayne Douglas will be guest
speakers. The public is cor-
dially invited.

ST. CECILIA'S MOTHERS PLAN FASHION SHOW FEBRUARY 26

On Tuesday, February 26,
1968, at 12 o'clock noon, the
Mothers Club of St. Cecilia's
School will hold its annual
Fashion Show and Luncheon,
"Italian Interlude," in the
school auditorium, 18th and
Vicente streets, San Fran-
cisco. The proceeds from this
event will be used for the
purchasing of new books for
the school library.

The chairman for this year's
show are Mrs. Alfred Ahlquist
and Mrs. Elvin Jones. Fash-
ions will be presented by H.
Liebes and Company. Mrs.
Angelo Mazza, model chair-
man and Mrs. Robert Pinnel-
ti, co-chairman, have an-
nounced that they have picked
twelve very beautiful and
glamorous mothers to show
these lovely, new spring fash-
ions. They promise us the
finest, the greatest and the
best afternoon of fashions that
can be offered anywhere.

As the name suggests the
auditorium will be decorated
in an Italian theme. The de-
coration chairman is Mrs. John
McCarthy and her assistants
are Mrs. Albert Lambrechts
and Mrs. Corona Brooks along
with a very able group of
helpers.

They have promised us
something quite spectacular.
The following chairmen are
all working very hard toward
the success of this event: Mrs.
Thomas Burns, reception; Mrs.
Martin Butler and Mrs. Wil-

liam McDonagh, program;
Mrs. William Kays, publicity;
Mrs. Albert Ploil and Mrs.
Richard Culaciati, table fav-
ors; Mrs. Joseph Devine and
Mrs. Ralph Widnes, table set-
ting; Mrs. John Signer and
Mrs. Dominic Landini, lunch-
eon; Mrs. Bruno Bassi and
Mrs. Francis Charlton, coffee
service; Mrs. Arthur Gwilliam
and Mrs. Edward Collins, door
prizes; Mrs. Henry Bragado
and Mrs. Victor Cipparoni,
investment; Mrs. Joseph Gav-
in and Mrs. Warren Wilson,
after-the-party; Mrs. Martin
Horan and Mrs. Owen Brady,
waitresses. Our waitresses for
the afternoon will be our own
Eight Grade Girls who will
wear Italian costumes to fol-
low the theme of our show.

Tickets are \$3.50 and res-
ervations may be made by
contacting the reservation
chairmen: Mrs. Joseph Shea,
OV 1-7744 or Mrs. Hugh Ma-
quire, LO 6-8711.

Fabbri Cited in Osteopath Arrest

South San Francisco Police
Chief John V. Fabbri and
Chief of Police James B. Mur-
ray of Milpitas were com-
mended today by Attorney
General Stanley Mosk for as-
signing policemen to aid in
the investigation of a Salinas
osteopath, who was ar-
rested for violations of the
State Narcotics Act.

Elise Anderson of South San
Francisco and Linda Buck-
ston of Milpitas helped State
Narcotics Agent Vincent
Chasten assume the identity
of an underworld vice boss
when he contacted Dr. Ken-
eth Blaylock to purchase
narcotics and dangerous drugs.
Supervising Agent Matthew
M. O'Connor of the Bureau
of Narcotics Enforcement
called the investigation "an
excellent demonstration of the
effectiveness of interagency
cooperation."

In letters to Chief Fabbri
and Chief Murray, Attorney
General Mosk praised the po-
licemen for their "splendid
assistance" and congratulated
them "for a job well done."

Brotherhood Week At Nursery School

In observance of National
Brotherhood Week, February
17-24, the Sunset Nursery
School, 4245 Lawton street,
will dedicate Tuesday, Febru-
ary 19, as International Day
and will portray that among
children Brotherhood is ev-
ery day of the year.

The afternoon session chil-
dren, aged four to five, will
participate in the festivities
and will come to school in an
assortment of costumes rep-
resenting many lands, including
American Indians and cow-
boys.

Music, dancing and story
telling will enhance the party
to be held from 1:30 to 4 p.m.

Istvan Nadas, Pianist, Will Give Concerts

Istvan Nadas, pianist, ap-
plauded by San Francisco
critics last December at the
Curran, will be presenting an
outstanding and unusual series
of concerts this spring at San
Francisco State College.

On Sundays, at 3 p.m., Feb-
ruary 24, March 24, April 21,
and May 28, in the college
Main theater, Nadas will per-
form four concerts of 20th
Century piano music.

OBITUARIES

William Heinze

Funeral services were held
Feb. 7 at W. C. Lombard and
Co., Daly City, for William
Heinze, 54 of 7345 Mission
Street, who died Feb. 4 in
San Francisco.

Mass was recited at Holy
Angels Church. Burial was in
Holy Cross Cemetery. A na-
tive of California and a mem-
ber of Palatka Union, Local
913, he was the husband of
Angela Heinze, father of Wil-
liam, Jr., Roy and Ellen Hein-
ze, son of Frank and Frieda
Heinze, brother of Robert J.
and Joseph T. Heinze and
Mrs. Eleanor Shaw.

Avant Garde Lecture

An Italian scholar scans and
reports on far-out contem-
porary art on the first of the
San Francisco State College
Lecture Series for the spring.
Monday, February 26, in the
main auditorium at 1 p.m. The
address is by Florence-born
Renato Poggioli, a Harvard
fellow, now at the Stanford
Center for Advanced Study in
the Behavioral Sciences.

The topic is: "The Concept
of the Avant-garde in Modern
Art."

Hi ho, come to the fair — the "Science Fair" that is, which will be held again this year at Benjamin Franklin School Tuesday evening, March 5.

Any youngster in the school may submit an entry. He selects his own project and develops it. All entries submitted will be judged and the winning exhibit will be entered in the Bay Area Science Fair. Last year's first place winner, Jeff Thomas, received honorable mention in the Bay Area fair for his project on the "Life Cycle of a Shrimp."

Last year's "Science Fair," which was held at Benjamin Franklin School, was extremely successful. The entire multi-purpose room was filled with entries on display ranging all the way from fish to electricity and space projects.

In the exciting "world of tomorrow" when our country needs more and more scientists, such an activity as a science fair is a splendid way to interest youngsters in following a scientific career.

Remember the date — March 5 — bring the youngsters and plan to drop by.

A resident of the area for six years, our community leader for this week started working with community projects practically from the first day she arrived here. Active in the Broadmoor Presbyterian Church, she has served as leader in the junior department and also with high school youngsters. In addition to her church work, she served for three years on the YWCA planning committee and one year on the board of the Friends of the Library.

She was also active in PTA, serving on the board at Benjamin Franklin School. Another organization to which she has devoted time is the American Field Service, and she has worked on every community fund drive.

We salute Margie Tweedle for her devoted service to the community. The Tweedle family, which includes the Rev. Herbert Tweedle, daughter, Penny, and sons, Tim and James, live at 1116 Nimitz in Broadmoor.

Do you play the violin or clarinet? The new community orchestra now being organized needs you. Twenty-nine new members turned out for practice last Thursday evening at Westmoor High School when the group met for rehearsal. This is a community activity so there is no charge and instruments and music are furnished. For more information about the activities of this newest of community organizations, telephone the Westlake Music Center at PL 6-2434.

An important evening this week, too, for the musical community is the first meeting of the community chorus sponsored by the Daly City recreation department, to be held this Thursday evening, February 21. Recently joining the Bell Tones (who still become part of the community chorus) are Annie Lorie Peters of Colma, Alice Walker and Constance Kaiser of St. Francis Heights and Jackie Madden of Westlake. Patti Stolz is the director.

FASHION NEWS: You'll want to "put your best foot forward" this spring, and it will be a colorful foot if early spring trends continue. According to Manager Felington of Bloom's Fine Shoes, high fashion shoe colors in the spring picture include tangerine, nude, blue casino and lemon yellow. Another important trend, according to Mr. Felington, is direct coordinates, handbags are made out of the same material as the shoes so they match perfectly. Another high fashion look for shoes is contrasting inserts such as polka dots and chic combinations of calf and silk, and patent and calf.

SOCIAL WHIRL: An important luncheon date for localites is March 2 when the Yugoslav Juniors of the Yugoslav Women's Club of San Francisco hold a luncheon and silent auction. The chic affair will be a benefit for the Recreation Center for the Handicapped located in the Fleishacker pool building. Many children and adults from the local area attend the center and participate in the activities. If you have any items you wish to donate for the auction, such as children's games, toys, bric-a-brac, telephone chairman Dorothy Orlich (PL 5-1891) or the organization president Joan Luders (PL 5-4491).

NEWS BRIEFS: A most entertaining even for the tricycle-bicycle set this week will be the "Wonderful Wizard of Oz" in a special performance by the San Francisco Players Guild at Colma and Benjamin Franklin schools. Tickets may be secured from PTA organizations in the Jefferson school district.

It will be "Ladies Night" at the International Inn this Wednesday evening when the Lions Club holds its student speaker area contest finals with speakers representing Jefferson and Westmoor high schools.

Just back from a recent trip to New York is Alec Land, who attended a week's business conference with more than 5,000 discount operators in attendance. Mr. Land commented that "our type of store in the west are so superior to those available to people in the east."

Visiting the Rev. Allen J. Downey of Westlake is Mrs. J. W. Spearling from Columbus, Kan.

Guest speaker at the monthly book review of the Daly City Friends of the Library (February 28) will be Miss Ada Beveridge, who will review books by John Steinbeck, including his most recent "Travels With Charley."

The next meeting of the board of directors of the Daly City Newcomers Club, Ramona Birke, director, will be on March 5 at the Westlake Bowl when the directors will report on plans for the next social, to be held on March 12.

Perking right along is the "Always Budget Calorie Club" of Daly City whose aim is to help women lose weight through group meetings and discussions. It is a non-profit organization and the members also select various philanthropic projects to which they contribute. If you are at least 25 pounds overweight and interested in participating in the group, telephone Mrs. Barton, JU 6-7893.

REMINDER: Thanks for your letters. Do keep us informed on your activities, parties, fashion shows, houseguests, vacations. Write Feminine Viewpoint, Westlake Times, 3317 San Jose, Daly City.

Between Us Gals:

Under That Wig Was A Real George George — or — A Bit Of Pretend With Mrs. Washington

By Bunny Gillespie

"Good morning, Madame First Lady!"

"Good morning, fellow Americans."

"We don't mean to be impertinent, but we have a few personal questions to ask..."

"But of course, after all that's been said of my husband and me, what could be left to deem impertinent?"

"Our readers are inquisitive, just how did you and the President decide to marry?"

"That's an interesting question — and brings to mind such lovely memories..."

"I somehow feel circumstances of the moment had much to do with our courtship and marriage. He had been very ill two years before and had subsequently given up his station as commander of the Virginia troops, an appointment he'd received when only 23."

"He was such a handsome young fellow; three inches over six feet tall with broad shoulders and strong muscular hands. George weighed slightly over 200 pounds when I met him, and was completely dashing in his uniform."

"Always fun loving, my children, John and Patsy, welcomed him as their stepfather-to-be."

"We were both 26 when we married, not a first romance for either, but a lasting one! We'd only met 10 months earlier. The acquaintance was considered almost brief in those days. But I was still young, despite being widowed, had brown hair, hazel eyes and what was thought an attractively plump figure. And he, well, everyone knew that fate held special fortune for him..."

"You said he was fun-loving. Would you elaborate?"

"Yes, he was always cheerful and most masculine. Fond of horses and riding, he liked to break his own stock to the saddle. He hunted and fished and was considered excellent in outdoor pursuits. Wrestling gave him almost as much pleasure as the surveying trips that took him deep into the Western wilderness. The resourcefulness and endurance he learned during these explorations would have made an impressive mark even by current standards."

"About your life together, was it happy?"

"Definitely. Not that we hadn't quarrels and misunderstandings. But, under that powdered wig (the mode of the day, you recall) was a loving stepfather, a tender husband, a thoughtful provider and a generous host."

"Our home greeted many guests, some of them only wayfarers that happened by. Relatives and friends were always with us, now that I think back. We had many, many house parties, as well as picnics, barbecues and clam-bakes."

"Our verandah was often the setting for lovely afternoon teas and in the evening we'd take to the carriage to attend dancing parties. A dozen miles was a long journey in those days, but not too far for a Virginia couple that liked to 'trip the light'."

"My husband also enjoyed billiards, cards and horse racing. On occasion, he was a gambler, but never to excess."

"And there were a couple of more things that made our life together happy and interesting, a shared interest in current events and the theatre. He loved plays and theatrical performances. His quoting from the Bard gave us pleasure and delight. Can you imagine a 6-foot, three-inch Pompey?"

"One last question, Madame First Lady! Are you planning on cherry cake this Friday, with 251 candles on it?"

"Heavens no, neither my husband nor I are fond of cherry — anything after all these decades of cherry-tree fables."

"And, anyway, we like to think, very privately, that his birthday was Feb. 11, 1732. But that's another story and this old lady's getting tired of testing her memory."

"Thank you for the interview, Mrs. Washington. And, many happy returns to your husband George!"

GIRL SCOUTS of Troop 626 escorted their leader, Mrs. George Hedden (right) of 164 Canella drive, Daly City, to chairman of the evening, Mrs. Norman Gotelli (left), to receive the CCPT Honorary Life Membership award presented by the M. Pauline Brown PTA last week. Mrs. Hedden is active in church and community welfare work as well as Scout-ing. The award represents a donation of \$25 to the CCPT student scholarship fund. —Photo by Don Aron.

Dolorosa Clubs Celebrate Mardi Gras This Saturday

Mater Dolorosa Men's Club and Women's Club are celebrating Mardi Gras with a dinner and dance this Saturday at the South San Francisco Rod and Gun Club.

Robert Collins and Mrs. Juan Garcia are co-chairmen of the event and Mrs. Warren Olsen is ticket chairman.

An optional feature of the affair will be costumes worn by the guests, and a prize will be awarded for the best design. However, those not wishing to participate in the costume phase of the evening need not comply.

Cocktail hour will be at 6:30, and dinner will be served at 7:30. Dancing will begin at 9:00 with the music of Ernie Orest's Starlighters. Price of admission will be \$5.00 per couple for both dinner and dance. Dancing only will be \$2.50 per couple.

Menu for dinner will consist of salad, veal scalloped, wine, dessert and coffee, and will be under the supervision

of Vince Rumolo, Jim Smith, Jack Callero, and Jack Chalaba.

Tickets may be purchased from Mrs. Olsen, 141 La Crosse Avenue, Serra Highlands, 761-1143; Mrs. Joseph Catruffell, 249 Gardenside Drive, Winston Manor, PL 6-9162 or Mrs. Harmon Hallett, 75 Calvert Drive, Winston Manor, PL 6-4035.

Thunderbird Is Setting For ORT Fashion Luncheon

The Rodina Shop of Stonestown will preview new and exciting styles in colors and fabrics for the forthcoming spring and summer season at the luncheon-fashion show sponsored by the Central Peninsula Chapter of ORT (Organization for Rehabilitation Through Training) on Saturday, March 2, at noon in the Grand Ballroom of the Thunderbird Hotel, Millbrae.

Donation for luncheon is \$4.75.

Mrs. Harold Neustadt, chairman of the event, announced that through the diligent efforts of Mrs. Phillip Sonnen-

stein and Mrs. Stewart Feldstein and their committee many lovely door prizes and favors have been obtained for guests.

Reservations may be made by calling Mrs. Bart Phillips, JU 3-5338; Mrs. Robert Mendelson, 341-3068, or Mrs. Bernard Davis, PL 6-1888. Tickets may also be purchased at the door.

All monies raised will go to the support of the World ORT Union, the recognized vocational training agency of the Jewish people and the largest non-government vocational training agency in the world.

Joyce Navarro Is Now Mrs. Schreier

White stock and gladioli decorated Our Lady of Mercy Catholic Church recently as Joyce Ann Navarro, daughter of Mr. and Mrs. Leonard Navarro, 865 Southgate Avenue, Westlake, became the bride of Gerald Anthony Schreier.

The bridegroom is the son of Mr. and Mrs. Albert Schreier of 87 Fairway Drive, also in Westlake.

A graduate of Westmoor High School, Joyce selected a princess gown of white satin and tulle, embroidered with Alencon lace. Her finger-tip veil was secured by a double crown with jewel-like highlights. Stephanotis and white orchids formed her bridal carrying piece.

Attending the bride were Lenore Grado, maid-of-honor, and the new Mrs. Schreier's sister, Lynn Navarro, was junior bridesmaid. Completing the feminine contingent were Donna Schreier, Linda Scaffidi and Rachelle Nichols. Flower girl was Vickie Cruz. The attendants wore dresses of American Beauty satin designed with bell skirts. They carried matching bouquets of American Beauty roses.

Ronald Schreier served his brother, a graduate from Rickard High, as best man and Bert Gisen, Donald Kenney and John Blake acted as ring bearers. Officiating was Father Timothy Monahan. Leonard Navarro had given his daughter in marriage.

Following the noon wedding, the newlyweds greeted over 300 friends and relatives at a reception held at the Olympic Golf and Country Club.

The young couple were assisted in the receiving line by the bride's mother, Mrs. Navarro, who wore a chiffon and Alencon lace sheath of hedge green and by Mrs. Schreier, the bride's mother, who wore turquoise chiffon.

Following their honeymoon in Southern California, Joyce and Gerald plan to live in Westlake.

Hawaiian Dance Classes Planned

New classes in Hawaiian dancing are now being formed by the San Mateo County YWCA to start the week of February 25. Under the experienced tutelage of Jerry "Kalelani" Matlock, children and women can learn the Hawaiian, Samoan, Tahitian, and Moari hula, in which the hand motions tell a story while the feet maintain the rhythm and beat.

All classes will be held Mondays at the War Memorial Building, with younger girls scheduled for 8:30 p.m., and older girls at 4:15 p.m. Beginning adults will enter the 7:30 p.m. class, and intermediate and advanced students are scheduled for 8:15 p.m. The fee for the children's classes is \$5 for six weeks, and for the adults \$7 for the course.

All classes use the implements of the islands, such as bamboo sticks, the feathered gourds, the kaula stick, shells, rocks, the large jug gourd, and the ilili, a Hawaiian yo-yo made from coconuts.

Advance registration is suggested for all classes, and may be made by calling the "Y" office, 375 South Mayfair, PL 6-7370.

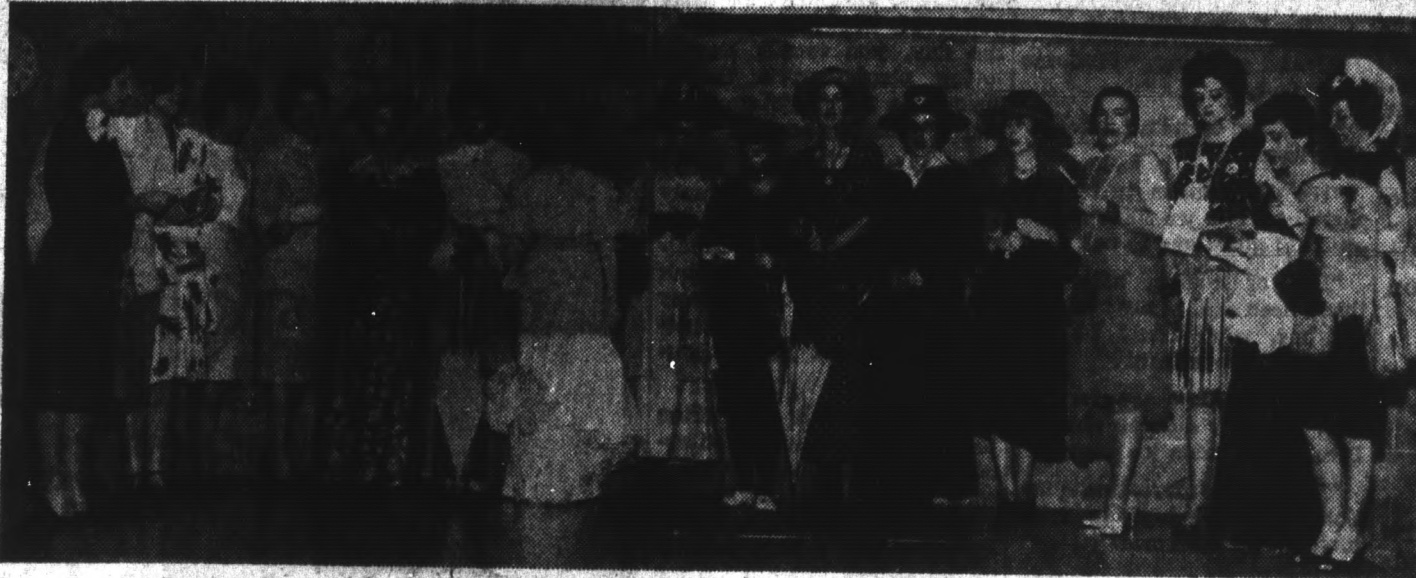

Seaport Eastern Stars Annual Card Party

Seaport Chapter, Order of the Eastern Star, will hold its annual card party Monday evening at 8 p.m. in Golden Gate Masonic Temple, 14th Avenue and Taraval Street.

Travel Styles For Y Luncheon

An exciting travel theme will highlight the March 8 Luncheon and fashion show sponsored by the YWCA of San Mateo County to be held at the Westlake Bowl from 1 to 3 p.m.

The latest in fashions for vacation travel from "The Fashion" will be shown at the popular style show with Miss Sarann Daily as the store's coordinator. Panoramic Travel will supply decor in keeping with the "faraway places" idea. The cost of the luncheon is \$2 and a complimentary nursery is available. Reservations can be made by phoning PL 6-7370.

Chairman Elsie Dab urges everyone to get their reservations in early but to please phone in if a cancellation has to be made. Popular local commentator Mona Baker will handle the duties at the microphone with the "Y" Fashion Show coordinators Dorothy Orlich and Phyllis Odenthal handling the arrangements for the show.

Mercy Guild Dinner Dance

Mrs. Dennis Smith, president of Mercy High Guild, has announced the date of the annual dinner dance.

Members and their friends will gather at the California Golf and Country Club this Saturday.

Mrs. George Drakulich, chairman, extends an invitation to parents and friends of Mercy High students to renew old acquaintances at the no-host social hour at the club beginning at 6:30 p.m. Dinner and dancing to the music of Wally Blum and his orchestra will follow at 7:30 p.m.

Reservations are fifteen dollars per couple. A few are still available and may be obtained by calling Mrs. Joseph Fitz-

Ada Beveridge Slated For Library Friends Meet

Book review fans of the Daly City Friends of the Library's monthly review series will be pleased at the announcement of a return engagement for Miss Ada Beveridge, former San Mateo College speech and dramatic teacher.

Her review last year of a biography of Ernest Hemingway was considered one of the most interesting programs of the year.

This year Miss Beveridge has selected the works of John Stenbeck as her topic and intends to lay particular emphasis on his latest book, "Travels with Charley," in addition to referring to the bulk of his work which won him the Nobel prize.

Miss Beveridge's educational background includes a B.A. degree from Mills College and M.A. from Stanford.

Professionally she was on the staff of San Mateo College from 1927 to 1958. In addition to her instruction in speech and dramatics, she was also active as a coordinator of college-community relations. She served the community actively in other capacities also, acting as a member of the board of the Volunteer Bureau of San Mateo County and working with the Peninsula Braille Guild. Her dynamic personality and skill as a speaker keep her currently in demand as a dramatic reader and lecturer.

Miss Beveridge will present her program next Thursday morning, Feb. 28 at 10 a.m. at the Westlake Bowl. The YWC co-sponsors these meetings. Free nursery service is provided as a courtesy of the bowl management, as is a coffee hour which will precede the book review.

YO YO CONTEST—Hundreds of youngsters performing all sorts of gyrations took part in the Yo Yo Contest in the Westlake Shopping Center. This contest is being held each Saturday through March.

2. First prize winner receives a 26-in. Schwinn bicycle, donated by King Norman's Kingdom of Toys. This contest is continuing, as well as the CAP Guessing Contest at Westlake Stationers, which

features a first prize of an RCA transistor radio for the micropoint CAP guessing contest winner. Mr. and Mrs. Robert Morford, owners of the Westlake Music Center,

are bringing Eddie Peabody, world's greatest banjo player, straight from two of his latest appearances with the Lawrence Welk program on television.

Record Enrollment At SF State College

The record registration of 14,434 students enrollment at San Francisco State College last week brought satisfaction to college officials since no eligible applicants were turned away because of the lack of classroom space.

The rise in current term breaks precedent of traditional Spring enrollment drop from the Fall Semester. More than 600 additional students are on the San Francisco State College campus near Lake Merced than last term.

Past Spring enrollment also fell sharply below the new figure. Last year there were 12,659 students in the Spring and the year before 11,800.

In 1954, when the present campus in the southwest section of the city was first fully occupied there were 6,812 students.

A faculty staff of 900 members are present on campus. President of the institution is Dr. Paul Dodd, who became the executive head in July, 1962.

Students Meet SM Honor Standards

137 students of College of San Mateo have met the exacting standards of Alpha Gamma Sigma, state junior college honor scholarship society, on the basis of grades earned in the fall semester. Membership is granted only to those students who achieve no less than a "B" average and at least 45 honor points on a minimum of twelve units, excluding physical education. A grade below "C" in any subject disqualifies a student from membership.

As announced by Jean

Wirth, College of San Mateo advisor for Alpha Gamma Sigma chapter, the membership for this spring semester will include the following students.

Marina Sushkoff, Colma; Mary Cheremetwo, Dennis J. Cosgrove, Donald Leo Guisti, Glen Chandler Hoyt, Jerry Michael Keefe, Ronald Ray Monti, all of Daly City; Edward McGulgan, Pacifica, and Terry E. Halliday, Timothy R. Ramsey, Robert Lee Rhea, all of South San Francisco.

"Wackiest Ship" Film At Serra Vista PTA

The Serra Vista PTA will show "The Wackiest Ship in the Army" in the school on Saturday, Feb. 23, at 10:30 a.m. and again at 1:30 p.m. All children in the area are invited to attend, admission

is 25c. Refreshments will be sold during the show.

SSF Woman Named To School Board

Appointment of Mrs. Virginia J. King, 556 Parkway Terrace, South San Francisco, to the San Mateo County Board of Education was announced today by the board's president, Mrs. Florence M. Cadigan of Redwood City.

Mrs. King will fill the post vacated by Mr. Thomas Needham when he moved out of the area, for a term which expires June 30, 1965.

Mrs. King was one of four recommendations of a Citizens' Nominating Committee consisting of Mrs. J. B. O'Bryant, chairman; Mrs. Lorraine Cooper, Edward

Wendt, Mrs. B. T. Nichols, Mrs. Harry Dan, Mrs. Betty Mitter, L. D. McLeod, J. L. Conn and Mrs. James Comer. The new county board member has a business administration background, has been a member of California Congress of Parents and Teachers, and has worked on school election boards. Mrs. King is the mother of four children, all of whom have gone through South San Francisco schools.

Her appointment was made at the February 6 meeting of the San Mateo County Board of Education.

Cub Pack 369 Meets

Cub Pack 369 held their February meeting on February 4, 1963 at Abraham Lincoln Multi-use Room.

The annual Blue and Gold dinner was a family potluck this year and was well attended.

Cubmaster Bob Lorenzi called the meeting to order and presented the following awards: Robert Alden, Den-der; Richard Saxton, Denner; Randy Horton, Asst. Denner; Darrell Lorenzi, Denner; Jeff Bedford, Asst. Denner; Jerry Kern, Denner; Steve Muell-kamp, Denner; George Petru, Asst. Denner.

The following boys had earned badges: Frank Mendez, Bear; Karl Miller, Wolf; Joe Stavish, Wolf; Steven Mueller, Wolf; Bruce Van Vick, Wolf; Darrell Lorenzi, Wolf and gold arrow; Jeff Bedford, silver arrow; Peter Deacon, Bear with gold and silver arrow; Jerry Kern, Wolf; Brian Sharratt, Gold and silver arrow; Ross McNair, Lion. Ed Johnston was awarded a one year pin and Danny Wilson received his two year pin.

The chairman of the pack committee Frank Beller announced the paper drive on February 9 and a pack outing to visit United Airlines on February 23.

John Caruso was honored as Cub of the Month. Den 4 won the honor flag with Den 2 receiving the totem pole.

Daily City Record, February 26, 1963

Pedestrian Safety

A total of 7,100 pedestrians were killed and 233,400 were injured in traffic accidents in the United States during 1961, reports the National Automobile Club.

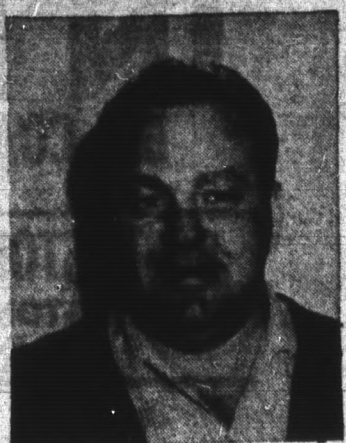

While a great number of these pedestrians were killed or injured by the motorists' carelessness and recklessness, an even greater number were killed or injured by their own carelessness and recklessness. All too many pedestrians have not yet learned to walk near traffic. Strolling down the sidewalk they will without warning take off across the street, dart out from between parked cars right into the stream of traffic. Prepossessed, they will step off the curb

with head down, and eyes straight ahead.

Don't walk in this reckless way. Cross only at intersections or at properly marked crosswalks. Before you cross, look carefully in both directions, make sure that the drivers of approaching cars see clearly what you intend to do. And above all, never indulge in the unexpected. Remember that many a pedestrian has made an unexpected move in traffic only to come to an unexpected end.

A CLEANING HINT

A garage filled with the accumulated trash of years is splendid tinder for a vagrant spark, warns the National Automobile Club. The moral is plain but too often disregarded.

John Coccellata

Coccellata Is New Owner of Auto Sales

Mr. John Coccellata Jr., new owner of John's Auto Sales, 6801 Mission St., Daly City, (formerly Stewart Motors), has been a resident of Daly City for the past 13 years. Coccellata took over the used car operation February 1st this year. After being in the same business in Millbrae with the exception of a service station. Mr. Coccellata is a graduate of Balboa High School and married a local girl (the former Mairan Conti). Mr. and Mrs. Coccellata have two sons, Michael, 8 years old, and Steve, 6 years old. Both attend school at Colma K6.

Assisting in the business is Coccellata's father, John Sr., recently retired from the San Francisco Naval Shipyard. The firm has a full-time mechanic and service department. His used cars, ranging from \$100 to late models. He also has financing available.

Sports Car Californians Are Going for Oldsmobile '63

Behind the trim aluminum side bands that distinguish Oldsmobile's Starfire and Jetfire from other '63 cars are many features that make especially appealing to sports-minded Californians.

For those who desire a full-size sports car, the Starfire offers foam-padded bucket seats, power console with T-stick Hydra-Matic and tachometer, power brakes and power steering as standard equipment.

Available in both convertible and coupe models, the Starfire also features a safety padded instrument panel, clock, windshield washers, padded-spoke steering wheel, chrome-accent carpet inserts and wheel discs as standard. And with 17 cubic feet of trunk space, there's no problem about luggage.

The Starfire's ultra-high compression engine, 10.50-to-1 ratio, develops 345-horsepower at 4600 RPM. Featuring a Fire-Swirl combustion chamber and power-peak camshaft, it has a 394-cubic-inch displacement and 440-lb.-ft. torque.

There's greater maneuverability, too, because the turning diameter has been reduced approximately three feet this year and cornering improved due to sway control refinements.

The real sports car buff will appreciate the Oldsmobile Jetfire, the first production car with a fluid-injected, turbocharged engine. Delivering one horsepower for every cubic inch of displacement, the 215-h.p. Turbo Rocket gets its big power boost from the exhaust-driven turbocharger. A unique fluid-injection system allows ultra-high compression.

The Turbo-Rocket engine is designed to give the driver power when he needs it, economy when he wants it.

Such features as an aluminum muffler, dual-outlet exhausts and high-torque 3.36-to-1 ratio rear axle are standard on the Jetfire. As optional equipment, the driv-

er has a choice of a stick-operated Hydra-Matic or a

floor-mounted 4-speed stick. Inside, the Jetfire looks every inch a sports car, yet with more room and luggage space. The foam-backed bucket seats and center control console with Turbo-Rocket gauge are standard equipment.

CAREFUL DRIVERS

You may be a careful driver, but are you careful enough to allow for the possible carelessness of the other driver? By keeping speed down to such levels as to allow complete control of your car in any emergency, points out the National Automobile Club, you can help save a life, possibly your own.

Evening Bridge On Y Class Schedule

New classes, beginning next week, have been announced by the San Mateo County YMCA. Advance registration is being accepted now at the "Y" office, 375 South Mayfair, PL 6-7370, for the six-week program, which will be held at various locations in the area.

The recently-launched children's art classes have proved so popular, according to "Y" director Pat Martinez, that the Saturday morning schedule has been expanded, with new classes added. Held at the Westmoor Park Clubhouse under the direction of instructor Peg Penoyer, the new art classes will be: beginners from 9:30 to 10:30 a.m., children aged six to nine from 10:30 to 11:30 a.m., and nine to twelve-year olds from 11:30 to 12:30 p.m.

The fee for the course is \$5, with advance registration suggested, so the small list of required supplies may be acquired in advance.

"Ladies Day with the YMCA" on Wednesday mornings will be continued with nursery service for pre-school children.

The rest of the schedule is as follows:

For the pre-school child, creative group play one morning a week. This program will be held Monday through Friday, 10-11:30 a.m., at Westlake Clubhouse; Tuesday through Thursday, 9-10:30 a.m. at Westmoor Park Club-

house; and Monday from 10:30 to noon at the War Memorial Building. Pre-registration is required.

Swimming for mother and child at Larson Pool, Nineteenth Avenue and Wavona Street, S. F., Fridays from 10 to 11 a.m. This is an on-going class.

Biscot dance for boys and girls at the Westlake Clubhouse on Monday afternoon, from 2 to 2:45 and 2:45 to 3:30.

For the six to twelve-year-old, ballet dancing will be taught on Tuesday at 3:30 p.m. for girls six to eight years old, and Wednesday at the same time for the nine to twelve-year-old, both at Westmoor Park Clubhouse.

Baton twirling and marching will be given for girls Thursdays from 3:30 to 4:30 p.m. at Westlake Clubhouse.

For adults, new classes are offered in golf on Wednesday and Thursday mornings from 10 to 10:30 a.m. at McLaren Park. Social grace, speech and visual poise with a program developed for each individual will be Wednesdays from 7 to 8:30 p.m. at the Westlake Bowl.

A new evening bridge class for men and women will be held on Thursday from 7:30 to 9:30 p.m. at the Westlake Bowl. The YWCA sponsors several bridge clubs, and graduates of the bridge classes are welcome to join these.

DC Newcomers Spoof Fashions

Fashion news, tho' somewhat dubious, was made at the Valentine's meeting of the Daly City Newcomers on Tuesday, February 12th when a group of women active in this organization modeled "Funny Fashions."

Fashion editors and courtiers were taken literally when "the sack" worn by Ramona Birke was made of real bur-lap sacks with matching straw hat... or was it hay? Her matched purse made of matchboxes.

The "Boxy-look" worn by Cecelia Howard was really a corrugated cardboard carton cut in a V-neck. Her matching squared-toed footwear, two cardboard shoeboxes. The "Tie-silk" dress worn by Clara Hodges was made of hubby's old silk ties. The "Middy-look" worn by Virginia (Ginny) Alexander harked right back to 1912. Others ably modeled by the same ladies were the "drape-shape," the "A-line," the "Drip-dry," and a "print" blouse made of real newspaper.

This fashion spoof topped off a lovely luncheon at the social hall of the Westlake Community Baptist Church, which was prepared and served by Alyce Madsen, who is herself the director of the Westlake Senior Citizens. Table decorations were aptly handled by LeVern Schwindt with a beautiful red floral centerpiece being donated by Liberata Sea Foods. A delicious melt-in-your-mouth cake donated by Eickie's Bakery (Skyline Plaza) was served for dessert. Written on it was, "Welcome Newcomers."

Fernando Rivera Founders' Night

Tuesday, February 26, will be Founders Night at the Fernando Rivera PTA. The program will start at 7:30 p.m. Assemblyman Leo Ryan of South San Francisco, who has been named vice chairman of the state assembly's education committee, will speak first on "The Problems of Education as They Relate to the State Scene Here in California."

Also on the program will be a member of the Jefferson Elementary School board, O. Wayne Douglas, who will report on the timely issue of the unification of school districts.

Following the speakers, there will be a Founders Day program when an Honorary Life Membership pin will be awarded to a deserving member, and a group of children will take part in an original skit entitled "A Trip Through the PTA Album."

Mrs. William Hopkins, Mrs. Robert Smice and Mrs. Charles Poggio are working with the children after school preparing for the skit. All persons who are interested in hearing Assemblyman Ryan discuss our state-wide problems and Douglas' discussion on the local unification controversy are invited to attend.

A. Lincoln Carnival Ticket Sales Begin

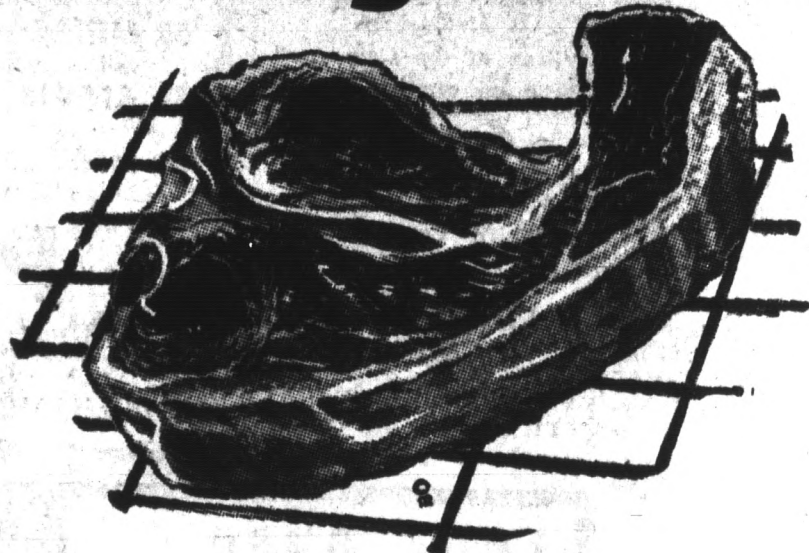

February 20 is the date set for the advance ticket sale for the Abraham Lincoln PTA carnival. Buy your tickets ahead of time and save money. Tickets will be offered at bargain prices; six tickets for 50 cents and 12 tickets for one dollar.

The carnival this year promises to be as much fun as last year's carnival. It will feature a variety of games; a "make up" booth and refreshments. The hit of the evening for the children will be "Ragmuffin," a real, live clown! Buy your tickets now at Abraham Lincoln School and we will see you in the multi-use room at the school on March 1.

Cub Pack 347 Breakfast Meet

On Boy Scout Sunday, February 10, the Cub Scouts of Our Lady of Mercy Pack 347 and Scouts of Our Lady of Mercy Troop 347 received communion at the 8 o'clock mass, and then went to the Westlake Bowl with their parents for the Blue and Gold breakfast.

The breakfast arrangements were made by Mrs. Howard Poblitz, and table decorations were under the direction of Mrs. Elwin Short. The table decorations were blue and gold and followed the space-age decor.

Jimmy Feeney opened the breakfast meeting by leading the group in prayer. Cubmaster William Upp thanked the people responsible for the success of the pack's participation in Boy Scout Week, and then presented Councilman Frank Pacelli as guest speaker, who is also director of youth activities at our Lady of Mercy Church.

Pacelli told the boys about the fun he had when he was a Boy Scout. He told them how his troop use to camp out here across from the zoo.

Upp presented a plaque of appreciation and a pin of thanks to Dr. William Feeney for his wife who was not able to attend the breakfast. Mrs. Feeney served as Den Mother of Den Six and has been ordered by her physician to give up her activity in scouting until after the arrival of her new baby. Dr. and Mrs. Feeney are expecting their seventh child. The Cub Scouts of Mrs. Feeney's den presented Dr. Feeney with a ten dollar merchandise order for their Den Mother with the hope that this will be a start of a new wardrobe after the arrival of the new baby.

Upp thanked Mrs. Howard Poblitz and Mrs. Elwin Short for their work on arranging the breakfast which he said was the nicest affair that the pack has had. There were one hundred and forty-two Cub Scouts and parents that attended this breakfast.

Teaching Course Begins February 21

The new California framework for the social studies will be part of the subject matter of a new evening course, "Teaching of Elementary Social Studies" being offered by the Extension Services of San Jose State College. The class will meet from 7 to 10 p.m. on Thursdays, beginning on February 21, in Room 10, Peter Burnett Junior High School, 880 North Second street, San Jose.

The course will offer specific teaching techniques in planning a unit, forming committees, classroom management problems in committee work and research reading.

Further information may be obtained by calling Extension Services, San Jose State College, 294-6414, extension 2211.

Rummage Sale

A rummage sale will be held at 418 Valencia street on February 21 through February 24.

Materials have been gathered by the Rainbow Girls of Assembly No. 13, San Francisco.

The store will be well-stocked with articles of clothing, and a wide assortment of usable materials.

The sale will be open to the public from 9 a.m. to 5 p.m. on each of the four days.

After the breakfast meeting the group walked over to J.C. Penney's to view the window decorated by the pack in the window decoration competition during Boy Scout Week. The window was decorated by the boys of Cub Pack 347 under the direction of Mr. Julio Figueroa and Mr. Frank Carroll.

Cubmaster William Upp says that the next big meeting of the pack will be a meeting of the Cub Scouts' parents to discuss plans for the packs next family outings which will probably be a pot-luck dinner in the parish hall for the Cub Scouts and their families and a family picnic some Sunday during the summer.

Chorus To Sing At Brotherhood Rally

The Levister Singers of San Francisco will sing at the fourth Annual Brotherhood Rally for Daly City this Sunday, February 24, at 8 p.m.

This event is held at the West Memorial Building on Mission Street. Norma Leyner is the director of this chorus of sixteen voices. Among the six numbers to be sung are "How Blessed Are They" by Peter Tschalkowski and "My Eternal King" by Jane Marshall.

The program will include Mr. Joseph Verducci bringing greetings as Mayor of Daly City and Father Thomas Burns speaking on Brotherhood. Father Burns is assistant at St. Veronicas Roman Catholic Church in South San Francisco. Refreshments will be served by the Westlake Lutheran Church following the program.

An invitational Brotherhood luncheon is being held this

Thursday noon at the Westlake Baptist Church. The speaker is the Honorable Frank Blum, Judge of the Superior Court.

The purpose of National Brotherhood Week, February 17 to 24, is to promote civic cooperation and mutual understanding among men of good will of all religions and ethnic groups without compromise of religious beliefs.

To rededicate people to the basic ideas of respect for individuals and peoples as "one nation, under God, indivisible, with liberty and justice for all." This interest was begun by the National Conference of Christians and Jews as organized in 1928 by Charles Evan Hughes and others.

The local planning committee of the sponsoring Daly City Ministerial Association is Rabbi Solomon Shore, Rev. Kenneth Hansen, Rev. Hansel Stenbridge, and Rev. Herbert Tweedie.

Forest Hill Church To Be Dedicated

The Forest Hill Christian Church dedicated a complete new building at 250 Laguna Honda Boulevard, Sunday, February 17, at 3 p.m. The new building costing over \$400,000 features a strikingly contemporary design by the architectural firm of Inwood and Gaddis, built by William Horstmeier Company. The contour of the land permits both the 385 seat Sanctuary and the Fellowship Hall for banquets of 250 people to have ground level entrances.

An educational building has been completed to include a nursery and facilities for the Church School and related activities. The Sanctuary is highlighted by an original design in stain glass symbolizing the Hand of God above creation with man and woman, whom he has fashioned in His image to have dominion over the works of His hand. The

window was designed by the John Wallis Company.

Forest Hill Christian Church is the former West Side Christian Church, organized in 1892 at 2550 Bush Street. The congregation is a part of the Christian churches (Disciples of Christ) with some two million members. This religious movement was born upon the American frontier a century and a half ago to become the largest religious group born upon American soil.

The speaker for the dedication was Dr. Ben Bobbit, executive secretary of the Northern California Fellowship of Christian churches. Mr. Elmer George is the chairman of the board of the congregation and Rev. Charles Lee Wilson is the minister. A reception for members and was catered by the Forest Lodge.

THE GRACE PRESBYTERIAN CHURCH, Crocker avenue at Winchester, Daly City, was organized in 1911.

Pastors are the Rev. Thomas H. Whelpley TH.D., pastor, and the Rev. William Harberts, Ph.D., pastor emeritus.

Mozart Choir At Seacliff Church

The Mozart Choir of Anaheim High School, Anaheim, California, under the direction of Carey L. Gibbs, will present a concert Sunday, February 24, at 11 a.m. at Seacliff Community Church, 50 Northridge Dr., Daly City. An informal concert will also be given at the 9:45 a.m. Sunday School hour.

The Mozart Choir is a group of ten girls and nine

boys from grades ten through twelve, who are selected not only according to their musicianship and outstanding vocal ability, but to their character and high scholastic average as well.

The choir is considered one of the outstanding high school choirs in California, with a schedule of approximately sixty public performances a year, which includes an annual tour to other parts of the state. This year they are on a five-day tour of Northern California.

The choir will be the guests of the Christian Endeavor at its monthly "Fun Night" at San Francisco's Central YMCA Saturday evening. Following recreation and swimming they will present an informal concert to the interdenominational group.

Westlake Hadassah

Slates Holidays Talk

The next meeting of the Westlake Hadassah at the Westlake Bowl on Thursday afternoon Feb. 28th promises to be an interesting event.

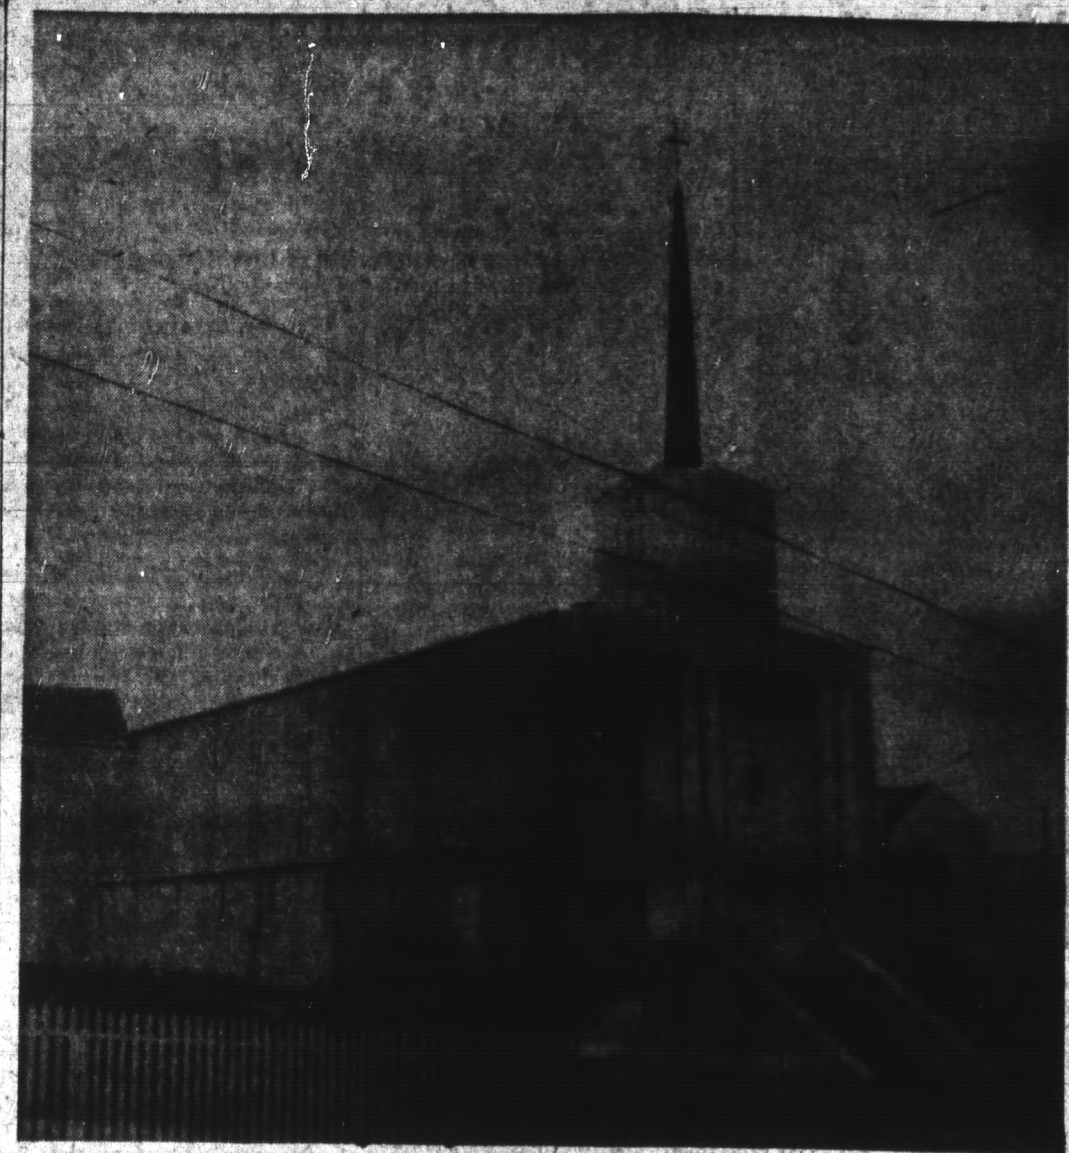

Rabbi Herbert Morris of Temple Judea will be the guest speaker. His topic for the day will be "The Observance of Jewish Holidays — the Whys and Ways."

A dutch treat luncheon will be served at 12 noon. Commencing at 1 p.m. free baby-sitting will be available in the Westlake Nursery.

A cordial welcome is extended to all those interested in attending.

For luncheon reservations please contact Mrs. F. Koplowitz at PL 6-1173.

Anyone needing transportation or further information may contact president Mrs. F. Pollat at PL 6-1356 or Mrs. J. Gispán at WY 2-0177.

A KID CARNIVAL for kids will be held February 23 in the social hall of Broadmoor Presbyterian Church. Members of the Junior High West-

minster Fellowship's planning committee, Phyllis Chiosso, Lisa Hollenbeck and Nancy Dethlefsen, are shown with the first prize, a complete flash-

camera outfit. All are invited to the affair, which will start at 5 p.m.

Brotherhood Week Rites February 17-24

Brotherhood Week will be observed at Wesley Methodist Church from February 17-24. The observance during this week will coincide with the city-wide rally at the War Memorial Building, the theme of which is "Brotherhood."

In connection with this observance, the Wesley Choir has chosen, as their Hymn of the Month, "In Christ There is No East or West."

The Faith and Life Mission of Wesley Church will begin on February 17 when a program of visitation will take place together with the study of the Book of Romans. The Faith and Life Mission is under the leadership of Mr. James Gummere.

Reverend Harold Thompson has been invited to speak at the Wesley Foundation Leadership Program which will be held on the campus of the University of California. The theme of this program is "The Vocation of Life." Reverend Thompson will speak on "What is the Ultimate Concern." The program will be held on the evening of Feb. 24.

A Timely Sermon On Communication

Collins Norton, president of the Village Churchmen at Broadmoor Presbyterian, reported an embarrassment at the recent Father-Son Dinner of Troop 84, the scouting organization sponsored by the Churchmen.

Monies had been allocated by the group to purchase a new, 50-star American flag for the Scouts' use. The size and-maker had been agreed upon, and a presentation ceremony arranged for the flag donation.

Scoutmaster Frank Garretson greeted Mr. Orton, and Mr. Ken Gillespie, who was to present the flag, on the evening of the dinner. "Where is the flag, Frank?" Orton asked. "Where's the flag, Collins?" Garretson replied. Careful questioning revealed that neither was joking... both thought the other had purchased the flag.

And so Mr. Gillespie delivered an earnest appeal to the scouts and their dads on the importance of good communication.

Duplicate morning services at Broadmoor Presbyterian are held each Sunday at 9:30 and 11:00 a.m., with Sunday School for all ages, Nursery through high school, and infant care provided.

Grace Presbyterian, 55 Years Of Service

As in the case of many organizations the Grace Church began in a very modest way.

A kindly woman in the person of the late Mrs. Robert Turner gathered up the few children in the neighborhood and started a Sunday School class. This was in 1908, hardly two years after the San Francisco fire.

Gradually many families of Scotch and Irish decent moved into the community. These along with the parents of the Sunday School children organized a congregation to be henceforth known as the Grace Presbyterian Church of Daly City. The church was incorporated June 8, 1911.

The former church plant was located at the corner of Evergreen Avenue and Hanover Street. This building was constructed when Daly City consisted of a main street and a few scattered buildings here and there.

The Presbytery of San Francisco once considered closing the church. However, about 1930 The Rev. Dr. William Harberts returned from Europe, and he was given the responsibility of reorganizing the congregation and uniting all the people in an all out effort to purchase a new site

and construct a new plant. After a heroic effort on his part, and the loyalty of the people, a beautiful new edifice was erected on the present location.

Dedication of the new building took place in 1950. The Rev. Thomas H. Whelpley, the present pastor was installed January 1955. Since then the one hundred and fifty thousand dollar plant has been cleared of debt. Plans are under way to construct a new Education Building adjoining the present sanctuary. The church is active in Christian Education of children, young people's activities, and with young married couples.

The Women's Council consists of five Circles, all very active and interested in the community and the mission of the church. Grace Church in a sense might be called the mother of the Broadmoor Presbyterian Church, since the work there began in the form of Sunday School classes organized by Dr. Harberts and Mrs. E. H. Hanson of Grace Church.

June 8 this church will have completed fifty-five years of service in Daly City, and it is the oldest Protestant Church in the community.

Brotherhood Week Pulpit Exchange

Rabbi Solomon Shore of Congregational B'nai Israel in Daly City will exchange pulpits with the Rev. Herbert Tweedie this weekend in a mutual observance of Brotherhood Week. Mr. Tweedie will address the Jewish service on Friday evening, Feb. 22, at 8:30 p.m., while Rabbi Shore gives the Presbyterian twin services a traditional "Shalom" or greeting, on Sunday the 24th.

Both pastors will talk on the local aspects of Brotherhood Week, which locally will climax with a rally at Daly City's War Memorial Building on Sunday night at 8 p.m.

A long-standing friendship exists between the two groups, established within the Daly City Ministerial Association, founded and presently headed by Mr. Tweedie. Broadmoor's adult choir has sung Jewish liturgy for Rosh Hashonah, while the featured soloists of the B'nai Israel congregation have presented their worship in music at the Presbyterian Church.

The Rev. Tweedie has spoken before at the Jewish Church, and said he looked forward to this concrete expression of interfaith friendship. "There are 16 member churches in our Ministerial Association, each meeting of which brings greater cooperation and understanding of the work our churches are trying to accomplish."

Mr. Tweedie also announced that the Junior High Fellowship group of the United Presbyterian Youth at his church were hosting a fun carnival in the church social hall on Saturday, Feb. 23rd, beginning at 5:30 p.m. Ralph Henn, advisor to the young people, invites all members, friends, and friends of friends to attend the carnival and have an evening's fun and food. Lisa Hollenbeck and Phyllis Chiosso are president and vice president of the 7th and 8th graders, with Nancy Dethlefsen and Pam Eagleton as secretary and treasurer. Games and stunts, all prepared by the young people.

Catholic Men Sell Tickets for Dance

Chairman Al Della-Santa announced this week tickets are selling at a vigorous pace for the annual Pre-Lenten "Casual Aire Dance," to be held Saturday, February 23, at Roberts at the Beach, under the sponsorship of the Westlake Catholic Men.

Music will be provided by Bill Bovero and his orchestra, with dancing from 9 'til 2. A memorable evening has been planned for the casual minded Westlaker, including door prizes and a special dance contest.

Admission is \$3.00 per couple and tickets can be obtained by calling PL 5-4440 or PL 6-0389.

The three courses will have a total of eight sessions each. All courses will be held on Tuesday evenings.

There is no registration charge for Temple members. Registration for non-members: \$5.

All are invited to attend these courses.

Jewish Community Of Pacific Plans

For Brotherhood Week

In celebration of Brotherhood Week, the Jewish Community Center of Pacific will meet with a delegation from the Pedro Valley Presbyterian Church on Feb. 22, at 8 p.m., at the home of Mr. and Mrs. Ellis Leff, 291 Seaside Dr., Fairway Park.

Rabbi Max Hansen will open the meeting with a short traditional Friday evening service, and will then address the group on "The Place of the Jew in the Community."

Rabbi Hansen, a veteran administrator of Jewish youth activities, has served since 1961 as Director of the Camp for Living Judaism at Saratoga and as Youth Director for the Northern California and Pacific Northwest Region of the Union of American Hebrew Congregations, the central organization of Reform Judaism in the Western hemisphere.

Before coming to the Bay Area, he worked in Jewish youth camps in New Jersey, New York, and Pennsylvania, and has been National President of the Young People's League of the United Synagogues of America.

Hansen is a lawyer as well as a rabbi. He is a member of the Bar of the State of New York and was ordained a rabbi in 1960 at the New York School of the Hebrew Union College-Jewish Institute of Religion. He served as spiritual leader of Temple Shalom, Cedar Grove, New Jersey, both before and after his ordination.

Hansen, a native of New York City, now lives in San Jose with his wife and three children.

Missionary Service At W'Side Baptist

The annual Missionary Conference among the twenty-three Northern California Baptist Conference churches starts on Sunday, February 24.

At the Westside Baptist Church, the first missionary service, will be Sunday evening, February 24th at 6:15 p.m., during the Conference Youth Fellowship hour. At this time Rev. Wilfred Head, a conference literature missionary in Ethiopia, will speak to the combined youth groups, and any and all adults who are able to attend. Then at the regular 7:00 p.m. Evening Gospel hour, Rev. Head will bring a missionary challenge to the church, on the present status of missions in Ethiopia, and the need of the hour in that land.

Reverend Head is a native of Michigan, and at an early age, took an active part in church work. He attended college at Wheaton College, Wheaton, Illinois, then spent two years in the Navy, and after discharge completed his college work at Biola College, at La Mirada California. Then upon completing his college work, and having a keen interest in the ministry of the printed Word, Reverend Head took a year of technical training in lithography at the Los Angeles Trade and Junior College.

Reverend and Mrs. Head were appointed as foreign missionaries, by the Foreign Mission Board of the Baptist General Conference in June 1956, and left for their field of service in Ethiopia, in April 1957.

A new literature center has recently been completed in the city of Addis Ababa, Ethiopia, which will provide more adequate facilities for this important phase of missionary work.

At this Missionary hour, there will be a brief time of congregational singing, special music, and the remainder of the service, will be given over to Reverend Head to present the challenge of the land of Ethiopia.

Sunday morning, February 24th, the Sunday Church School of Westside Baptist convenes at 9:45 a.m. A prayer meeting for teachers of the Sunday School is held at 9:35 a.m. Westside Baptist has classes for all age groups, nursery through adult.

"The Commission of the King" is the topic chosen by the pastor, A. David Donnelly, for his morning message, Sunday February 24th at 11:00 a.m. Missions was the challenge in the great commission which Jesus Christ gave to the disciples and the church, prior to His ascension. Special music will be provided for this service, and during the preaching portion of the service, a Primary Church is provided for children ages 4 to 9. Also there is nursery for babies and toddlers.

Friday afternoon, the Junior High Conference Youth Fellowship group are going on an outing to Mt. Tamalpais in Marin County. This promises to be an afternoon of fellowship, recreation, and inspiration.

Sunday School workers, will have an opportunity to attend the National Sunday School Association workshop, being held Thursday and Friday, February 21-22, at the Melrose Baptist Church in Oakland, California. Dr. Clate Risley, secretary of the association, and other leaders in the field of Christian education will direct this two-day workshop.

Thursday morning, at 10:00 a.m., February 21st, the women's Bible Study group meets at 111 Adrian Avenue, South San Francisco, with Mrs. Alton Swedberg, the discussion leader.

Lutherans Hold Annual Dinner

The men and boys of the Our Redeemer parish will hold the annual Fathers' and Sons' dinner, Friday February 22, at 6:00 p.m.

The Reverend C. E. Johnson, San Francisco, distinguished leader of scouting, wearer of the coveted Lamb Award for scouting leadership and presently ex-officio member of the San Francisco Executive Council of Scouting will speak. His topic is entitled "A Man's Man."

Anticipated number of 150 men and boys will be served by the teen-age girls of the parish. Advance ticket sales can be purchased through the church office for \$1.25 and 75c for children.

Mr. John Maleck is chairman of this gathering.

Local Pastor Speaker At Lenten Services

The Rev. Lawrence K. Whitfield, of Temple Methodist Church, Daly City, will speak at noonday Lenten services in the Union Square Area, San Francisco. He will talk on April 4 and 5 from 12:10 to 12:40 p.m. in First Congregational Church, Post and Mason streets, one block from Union Square.

The Freedom Press

A few weeks ago, Den 1 of Pack 69 took a tour of the Times and Record printing plant. As a Den project, they planned to put out a newspaper and wanted first-hand information as to the complexities of newspaper production. We have since received a copy of "The Freedom Press," which heads off with the following story:

WESTLAKE TIMES PLAYS
HOST TO CUBS OF DEN 1
By Ricky Shain

Den 1 recently visited the office of the Westlake Times to find out how a newspaper is run. Mr. Harrah, the publisher, guided us through, showing the various processes. We saw big typesetting machines and a long paper machine. There were long thick strips of paper that they use for printing the paper. It takes an hour to prepare for printing. There were lots of switches on it. There are thick metal plates with letters on them. Some of the machines have hot metal in them. There was black ink all over them.

The trip was interesting and we learned more about Freedom of the Press.

Also included in the newspaper was the following article, which we submit as good thinking by our young people:

WHAT IS FREEDOM?
By Billy Dutton

Freedom means democracy, a government for the people, and by the people. The Bill of Rights — Freedom of Speech — Freedom of Press — Freedom of Religion — Right of Petition.

Freedom of speech gives people the right to voice out loud any opinion of theirs without fear.

Freedom of Press gives people the freedom to write down their opinions, and write the facts as they see it, without fear.

Freedom of religion gives people the right to practice their faith, whether it be Catholic, Jewish, or Protestant, without fear.

The right to petition gives people the right to petition the government without fear.

Only in a democracy can you do these things without fear. Franklin D. Roosevelt once said: "The only thing to fear in America is fear itself." I am grateful that I am an American and have Freedom.

Something For Everyone

by Samuel Chandler

John C. Crowe had a good idea, so he wrote a letter to an editor of a newspaper. Someone clipped the article out and sent it to me.

He said: "May I suggest that the public libraries of this state designate one month in 1963 to 'Read California History?'"

If the public libraries take Mr. Crowe's suggestion, their patrons will learn that there is a dearth of California histories that cover the entire story of the state.

Among the few that do exist is a title by John Walton Caughey. In the 1958 second edition there are 36 chapters, the last ten of these make a readable treatment of recent decades.

Another solid history of the entire state is "From Wilderness to Empire" by Robert G. Cleland; revised by Glen S. Dumke. Reading like a novel, this book is a good source of the social and intellectual history of California. Of it, Richard Dillon wrote: "You are invited to take a look at a wide-screen view of the fascinating pageant of California..."

There is also a lack of comprehensive and contemporary histories of the various sections of California. There are some notable titles, however. One of the newest is "Here Is the Golden Gate" by Neill C. Wilson.

This wide-spread history of the Golden Gate from its pre-history days to the present makes the deeds of the races and types of people who have lived in the Bay Area live again.

There is no dearth of the period histories of California. Among them found in the Daly City Public Library are W. S. Chalfant's "Tales of the Pioneers," Charles E. Chapman's "A History of California: the Spanish Period," Edwin Corles' "The Royal Highway," William H. Ellison's "A Self-Governing Dominion: California, 1849-1860."

Others are Mrs. A. S. C. Forbes' ancient book, "Mission Tales in the Days of the Dons," Richard Dillon's "Embarcadero," and "The Hatchet Men," George R. Stewart's recent book, "The California Trail," Stanton Coblenz's "Villains and Vigilantes," Asbury Harpending's "The Great Diamond Hoax," Stewart E. White's "Gold," Irving Stone's "Men to Match My Mountain," Bill Murphy's "A Pictorial History of California," Edna Deu Pill Nelson's "The California Dons," which is brand new.

A recent anthology that is notable is "California Heritage," edited by John and La Ree Caughey. Here are more than a hundred selections, authentic accounts from diaries, letters and newspaper articles. In the book, one can feel passion at the death of Junipero Serra, the romance of a marriage that reverberated from California to Spain. One can thrill with Jim Marshall and Henry Bigler when they discovered gold on Sutter's ranch. Here is a tender poem by Ina Coolbrith, a lusty tale by Jack London, memories by Lawrence Ferlinghetti and others.

The editors created this book to reach "toward balanced view of the Californians." Surely it is that.

The View From .. Behind The Badge

Written and Edited by Daly City Police Department

The Selection . . .

You advertise and you recruit and you test. You put the successful candidates down the Devil's own road of Interview and Medical and Visit. You top it all off with a resounding polygraph examination, and if your candidate still qualifies, and still has the intestinal fortitude to accept, you appoint him.

He serves a probationary period, where any misstep can result in his being axed from the ranks. And you send him to school for two hundred plus hours of expert training and indoctrination.

You assign him to the sharpest Sergeants and the veteran officers for training, and this, coupled with attained experience, gives you a promising junior police officer.

The Types . . .

You find that, for the most part, your recruits are or are about to be family men. They are young and ambitious, and most of them make rather good officers, limited only by the drawbacks of their supervisors, where those might exist, and lack of a proper physical plant, or police station, where this positively does exist.

The Experience . . .

And so your recruit becomes experienced. He becomes experienced in a busy city, with a medium sized Department. The Department is a good Department, becoming better, and is making good strides toward becoming present among the very best of Departments.

Your recruit is busy. If he is aggressive enough and sharp enough, and takes advantage of his experiences, there is no immediate foreseeable limit as to how far he might advance should he be so inclined.

The Egress . . .

Your recruits, some of them, leave you. You would like to keep them, and you always inquire exhaustively as to the reasons for leaving. You find that none yet has claimed that he has disliked anything about the Department.

You have trained them and drilled them, and they are taking this training and experience and potential elsewhere. You have, in effect, trained these men for someone else—and this is costly, and is not a very good business.

The Reason . . .

One man goes to Sunnyvale. His reason was twofold—better money, better weather.

Another man goes to Oakland. His reasons: better money, better fringe benefits, and they have a spanking new police station.

Another man figures to go south to a different civil service job. His reasons are similar; although there are some other ramifications to his decision.

The Discussion . . .

Costs are no less in Daly City than elsewhere in the area. Your people are mostly a dedicated lot who work all hours of the day, all days and holidays of the year, in all weather, and under all of the varied conditions of both monotony and danger.

Your people are schooled and accomplished and they earn their money. They are forever under the critical and penetrating, and sometimes unfair, scrutiny of pressure groups such as the NAACP and the ACLU. Arrest someone, for any reason, who is under the protection of such a group, for example, and you and your man can lay odds that much heat will be generated as a result—it is not, obviously, a job that is left at work each day when your man goes home from his labors.

The Answer . . .

The answer is that your men need to be paid what they are worth, which is more than they are getting. Then you will be able to raise your standards even higher, requiring higher, better, more complete qualifications of your recruits. You will be able to keep those others in whom you have invested money and time in training—and you will not be losing your good men at a time when they are competent and experienced enough to begin to return that investment.

Then, as your Department expands, both as a result of the population increase and the land annexations, you will be able to build your Department. You will do this by adding qualified, screened, and trained candidates to a veteran, accomplished, professional cadre of secure, adequately compensated, contented policemen.

This, instead of having to try to build upon the existing force, and at the same time having to plug the holes left by good and experienced officers who are leaving to look for more reasonable conditions elsewhere.

Your Department is meeting or beating professional standards and qualifications which are current in California—and California leads the Nation. Where the Department still falls short, it is improving. But your Department also tries to set standards where possible, and does not limit itself to standards already set elsewhere.

Let us also set our pay standards according to value and good business sense, rather than be guided by dry sets of figures for "like sized cities."

Affairs Of State

By Henry C. MacArthur

Although Gov. Edmund G. Brown's proposed state withholding tax appears to date to have little chance of getting through the state legislature, nevertheless, the menace of this new imposition on California business and industry, not to mention the inconveniences it will cause the tax-paying public is still one to which the people can give consideration.

The most conservative estimates of officials of the California Manufacturers' Association, put the annual cost of such a tax at about \$6,000,000, a sum which would come directly from the pockets of business and industry and, perforce, be passed on to the consumer.

This would be the cost of additional bookkeeping work and time spent by business and industry in making reports to the state. Added costs of doing business generally are not absorbed by business and industry, which now operates on so small a profit because of government taxes, both state and federal, that additional costs must be routed on to the consumer.

The governor and his administration want the withholding tax to bolster the unbalanced budget they have presented to the legislature.

The one-time "double-take" provided in the program probably would provide the administration with sufficient funds to squeeze by another year before the blow falls on the taxpayer.

Aside from the Republican caucus taking action to oppose the withholding tax, the governor's proposal is not regarded in a favorable light by a good many Democrats.

Alan Cranston, state controller, who is emerging as the really strong man of the Democratic party, declared the proposed idea would "harass needlessly a million individuals who owe no income tax under present laws."

Cranston also said the withholding would impose a multi-million dollar burden on California employers, and declared it might result in a net loss, rather than a net gain in income taxes.

But the real and vital objection to a state withholding tax has not been brought to the front. This is the danger of helping render the taxpayers unconscious of his government obligations and responsibilities. Under withholding, the worker, who is a citizen and a voter, is relieved of his responsibility by having his work done for him by an already harassed employer.

This has been dramatically proven in the case of federal withholding, in connection with which a bureaucracy unequalled in history has been constructed through the negligence of the citizenry to its responsibilities. The bureau of internal revenue wields more power over the individual, and over business and industry, than any service organization has a right to have.

Consequently, if the state adopts a withholding tax it will be merely compounding the gross injustices imposed on California business and industry by the federal bureau of internal revenue, and eventually, will build up a corresponding bureaucracy empowered to seize a citizen's money.

The Sacramento Scene

SACRAMENTO—The state department of water resources said the February 1 water picture in California presents the contrasting picture of having good reservoir storage in most areas but a snowpack in the mountain areas that is "among the poorest on record."

William E. Wane, director, said runoff will vary from 100 per cent to 40 per cent of normal on present forecasts. Reservoir levels were at 105 per cent of average because of heavy storms last October and again late in January. Rain and snowfall since February 1 have not greatly affected the forecasts of future water runoff, Wane said.

"We have made the predictions on the basis of normal rainfall and snow accumulation during the rest of the season," Wane said. "However, in California, there are many instances of great snow storms in March and, if one of these takes place this year, there is still a possibility for better runoff this spring."

Forecasts of runoff conditions for the 1962-63 year (by percentage of average): North coast, 80; San Francisco bay, 100; central coastal, 100; south coastal, 40; San Joaquin Valley, 70; and Lahontan, 90 per cent.

Reservoir storages totaled (by percentage of normal): north coastal, 105; San Francisco Bay 100; central coastal, 100; south coastal, 130; Sacramento Valley, 105; San Joaquin Valley, 110; Colorado Desert, 130; and Lahontan, 85.

Snow water content in per cent of April 1 average: north coastal, 15; Sacramento Valley, 15; San Joaquin Valley, 25; and Lahontan, 25.

SACRAMENTO — A proposal to permit all workers four hours off for voting, if their work shift occurs during the hours the polls are open, went into the state assembly February 11.

The measure, AB1136, was authored by Assemblyman Joe A. Gonsalves, D-Artista.

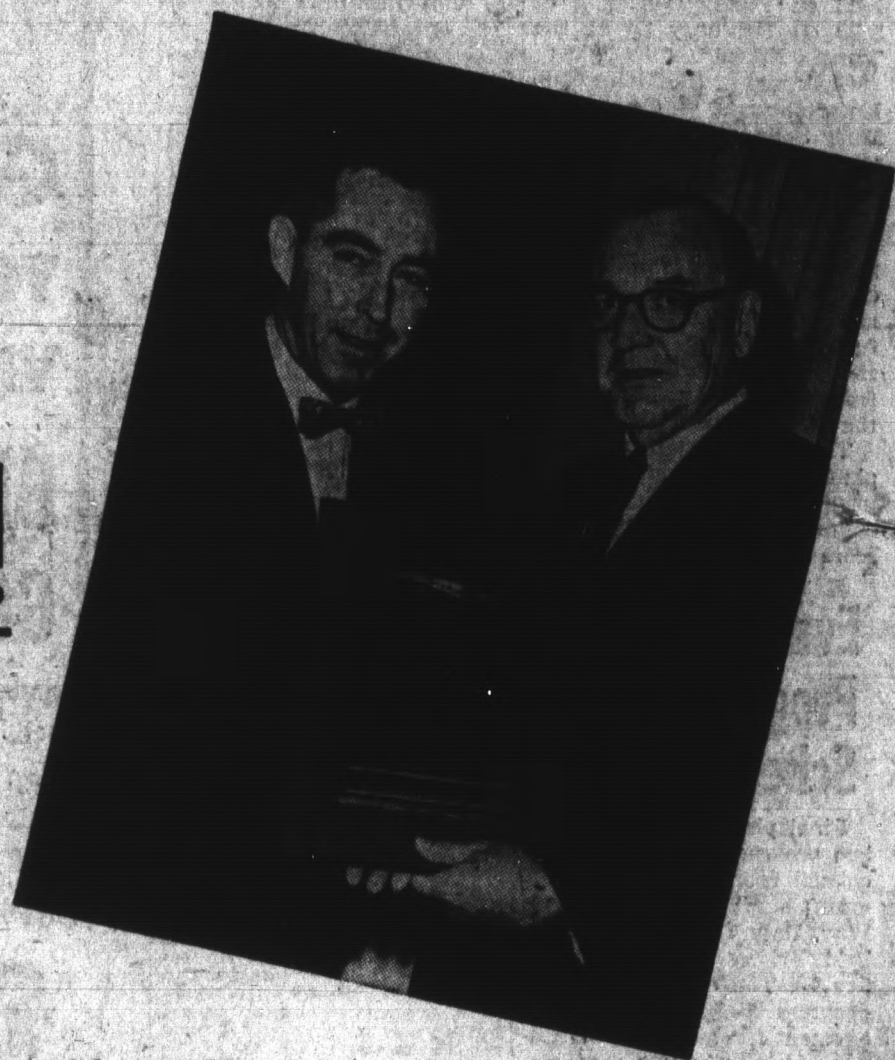

Present law permits a voter to absent himself from employment up to two hours, without loss of pay, in order to vote.

The state allocation board has approved applications for \$12,886,080 in state school building aid, involving 35 new school projects in 29 districts.

The board also approved applications for \$1,338,016 in advance site purchases, enabling districts in Alameda, Los Angeles, Marin, Napa, Orange, Riverside and Santa Clara counties to purchase sites for future needs.

The board apportioned \$13,359,313 for previously approved applications, where plans have been completed and districts are ready to call for construction bids. This covers 47 projects involving 368 classrooms, which will provide housing for about 12,130 students.

S.S.F. Junior Teen Club — Mrs. Gene Tischbern, Miss Janice Gregory and Mrs. Viola Scardellis

Last week, the California Newspaper Publishers' Association made its 1962 award for "Best Youth Interest Coverage" for California weeklies to the Westlake Times and Daly City Record.

This is a coveted honor and we're proud of having earned it. Not half as proud, however, as we are of the many dedicated people in Daly City who have given their time and energies to community youth work. In a sense, this award belongs much more to them than to us.

To those named above, and to the many others who are making Daly City a more wholesome community for growing youngsters, our deep respect and thanks.

Friday Evening Speaker at B'nai Israel

Special Sabbath service will be held at Congregation B'nai Israel this Friday evening at 8:30 with Rabbi Shore conducting the religious part of the service; and the Reverend Herbert Tweedle, pastor of the Broadmoor Presbyterian Church, and President of the Daily City Ministerial Association, will be guest speaker.

Also children whose birthdays were celebrated in the month of February will be blessed by the Rabbi and honored with a birthday cake. Oneg Shabbath will be hosted after the service. All members and friends are invited to attend the service.

The birthday children are: Janet Cohen, Susan Heard, Laura Mayer, Howard Stahl, Stephen Dobrow, Karen Kroner, Melissa Sennett, Vivian Goldberg, Barbara Krow, Paulette Solomon.

SISTERHOOD NEWS

The regular membership meeting will be held on Monday, February 25 at 8:30 p.m. at the Temple House, 67 Los Banos Avenue, Daily City. Guest speaker for the evening will be Dr. John Gold who will speak and show a film on the heart disease in observance of heart month. President Annette Kroner will welcome several new members who had joined the past month. Lovely refreshments will be served by Mrs. Raymond Clarfield. All members and their friends are invited to this meeting.

MEN'S CLUB NEWS

The men's club regular membership meeting will be held on Tuesday evening at 8:30 on February 26 at the Temple House.

Chairman of the Men's Club Entertainment Committee, Rudy Solomon, announces that they are planning a Mother's Day Dance on Saturday, May 11 to be held at Forest Lodge. There will be a \$3.50 per person donation which includes midnight Keweenaw-style refreshments. Music will be furnished by the Ray Clarfield Orchestra. All proceeds from this dance will go toward the building fund.

The Men's Club are also planning their annual Sunday picnic for the Sunday School children and their parents. More details to follow.

Evangelism Program Is Scheduled

Final plans for an evangelism program were laid in the council rooms at Hope Lutheran Church, 55 San Fernando Way, Daily City, at a meeting held Friday evening, February 15. The objectives of the program include the encouragement for increased attendance at services by members and users and the stimulation of interest in participation in activities within the congregation.

Called "The Sharing Christ Plan," the program will begin with visits to the homes of members and users by teams of two on the afternoon of Sunday, February 24. Emphasis will be placed on informing those visited concerning the mid-week services to be held at 7:30 each Wednesday evening, beginning with Ash Wednesday and continuing through Lent until Holy Week. For those not presently members of the church, information will be provided regarding the Adult Inquirers' classes being held on Thursdays, as well as other church activities.

Mission Study Begins at Temple

Next Sunday night, Feb. 24th, will be the first night for classes of all ages in the School of Missions at Temple Baptist Church, 3355 - 19th Avenue, at Stonestown.

Using the theme: "The Church's Mission and Persons of Special Need," classes will be provided for primary children, juniors, and adults, while regular youth meetings for junior, senior high, and college youth continue. A nursery will be provided. Mrs. William Parrish and Mrs. Paul Perazzo will lead the primary children. Mrs. David Morrow and Mrs. Lenwood Shields lead the juniors. Both Pastors, The Rev. Magnus G. Berglund, and The Rev. Wm. C. Rogers will lead the adults and the evening service. Classes begin at 6 p.m., followed by a fellowship and worship period at 7. The evening service will be at 7:30.

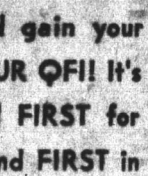

At the evening service this week a tape will be played which was made by Frank Quinn, director of the Council for Civic Unity of San Francisco. It deals with socially disadvantaged persons in our city. Families and individuals will be most welcome to at-

TOP SPOTS FOR DINING AND DRINKING

TV and RADIO

By Mona Baker

The "largest class of all time" is CBS's "College of the Air," currently seen over KPIX at 6 a.m. Now midpoint in the year, the program is broadcast by 241 television stations and seen in all 50 states with more than 350 colleges and universities offering college credit for the course. (In the Bay Area, six colleges, including San Francisco State, are participating.)

Looking back over the past months, there is no doubt of the enthusiasm and interest in early morning educational courses. All over the nation, groups of students ranging from high school to businessmen and employees of various companies have been following the series. For instance, in Madison, Wis., employees of the Oscar Mayer meat packing plant meet weekdays in the plant cafeteria to view the program during breakfast.

Early morning educational courses provide an excellent way to acquire college credit and yet carry on a regular job.

Not only is educational television making strides in the college field, but more and more progress is being made at the elementary school level. Just back from visiting a special closed circuit television set-up at Anaheim, Calif., are Jefferson Elementary School principals Len Herbst and Jim Thompson.

Quite advanced is the in-school television viewing program at Anaheim. Each classroom is equipped with a television receiver, and a separate building houses the program department. The school district produces its own programs and sends them out over a closed circuit to the classrooms.

According to Herbst, "The closed circuit TV operation that is presently being used in Anaheim Elementary School district adds a completely new dimension to the education program. It provides teachers with an additional source of audio-visual programming that is not readily available on film or local TV. The planning for programming is done by district personnel in conjunction with existing curriculum guides. It appears that Anaheim is leading the way to what eventually may become part of a basic educational facility in many school districts."

IMPORTANT TV DATES: Over KQED, February 20 (10 a.m.), San Mateo Heart Association will present a demonstration of the Heart Sunday campaign as a training technique for its 10,000 volunteer campaign workers.

Two important coming programs for youngsters viewing over KRON-TV: Pictorial documentary tribute to Lincoln on "Portrait," February 20 (6:30 p.m.) and NBC's excellent documentary "About Time" with Frank Baxter on Sunday, February 24 (6:30 p.m.).

Three important coming programs over ABC-KGO-TV scheduled for this week include "Discovery" (outstanding children's program) which reviews the life of George Washington, February 21 (4:30 p.m.); entertaining Victor Borge stars in hour-long special on February 25 (9 p.m.); new television series for preparation of Spanish teachers "Español Para Maestros," aired Tuesdays and Thursdays (6:30 a.m.).

Romantic Atmosphere At The El Toreador

The El Toreador Restaurant at 50 West Portal Avenue, San Francisco, features the largest menu selections of any Mexican restaurant, according to Jesse and Carmen Lepe, owner-chefs. They learned the art of preparing authentic Mexican food in the country of its origin.

Four years ago the Lepes ventured into business themselves after working for some of the finest restaurants north and south of the border.

The El Toreador features a fine and complete wine list of both domestic and imported wines.

Unknown to the American public, nevertheless, one of

200 Guests Attend Concert

Jack Malmsten's organ concert at Angelo's House of Music was applauded by over 200 enthusiastic listeners.

Mr. Malmsten showed his great virtuosity by playing tunes from Broadway shows, popular hits, and classical selections. Those listeners who enjoyed the evening concert will find recordings available at Angelo's.

Mr. Malmsten is scheduled to reappear at Angelo's in the near future.

Civil Engineering Course Opens Soon

Persons planning to take the California state board examination in civil engineering next August may enroll now in a non-credit, evening course being offered by the Extension Services of San Jose State College.

The class, entitled "Review of Civil Engineering," will meet from 7 to 10 p.m. on Wednesdays, beginning February 27, in Room 4, Peter Burnett Junior High School, 850 North Second Street in San Jose.

A fee of \$30 will be charged for the 12 meetings of the class.

Principles of civil engineering will be reviewed and problems solved on fundamental concepts, simple beams and trusses, portal frames and continuous beams, moment distribution, earthquake and lateral forces, wood, steel and concrete design, retaining wall and foundation design, engineering economy, fluid mechanics, hydraulics and hydraulic structures.

CCPT Meeting To "Focus On Family"

"Focus on Family, Faith and Freedom" is the theme reflected in the February 21 meeting of the 17th District CCPT at South San Francisco High School.

The program, directed by Mrs. Kenneth Morris, includes the film "A Carpet Under Every Classroom" which shows ways the library and librarians can help realize objectives of secondary schools. Mrs. Beryl Erickson, library consultant to the San Mateo County Superintendent of Schools will be present to discuss the film.

The second phase of the program will be directed by Mrs. R. E. Todd, director, Parent and Family Life Education for 17 District CCPT. A symposium, "Strengthening Our Nation's Greatness — The Home, School, Community, Nation," will be moderated by Louis Bagnall, principal of South San Francisco High School. Speakers on the panel will be: Mrs. Grace Cohagen, supervisor of family case work at the Family Service Agency of San Mateo County; Mrs. Margaret Larson, supervisor of Homemaking in the Berkeley schools; Mrs. Norman Cory, director of music education, Menlo Park Elementary School District; and Dr. Hartzell Ray, pediatrician in San Mateo.

Olympia School Children View Produce Market

Have apples replaced dollars as the medium of exchange at South San Francisco's new Golden Gate Produce Terminal? Second graders at Daly City's Olympia School thought this might be the case when they visited the Terminal recently.

When Terminal secretary A. F. (Reo) Ferrau, who had been serving as their guide, went to get them some apples to take home with them, where did he go? Why, into the Wells Fargo Bank. (What they didn't know was that the bank has set up temporary headquarters in the Terminal office building until their facilities are completed, and that Ferrau was going to his own office for the apples.)

Before they were given the apples, Mrs. Catherine Rey, their teacher, had accompanied the 33 boys and girls on an hour long tour through the bustling market. They saw exotic fruits and vegetables — chestnuts from Italy, endive from Belgium, papayas from Hawaii — brought by plane and by boat for Northern California homes and restaurants.

But they also saw lettuce and carrots, potatoes and other vegetables that would be included in their evening dinner menus. These items were being imported from Indiana, Salinas, Idaho and Washington.

Next, Ferrau took them to see the refrigerated train cars and trucks that since 1 a.m. had been rolling into the Terminal with these vegetables. They then saw apple weighing machines and machines which tore the outside bruised leaves off heads of lettuce. "They especially liked the men with the machines," Mrs. Rey said.

Finally, Ferrau pointed out to them the buyers from retail stores who had started arriving at 4 a.m. to bargain with the wholesale produce merchants for this choice merchandise.

When they got back to school, they wrote Ferrau a letter. "Thank you for 'guiding' us through the produce terminal," they wrote. "We learned a lot. We liked seeing the fruits and vegetables. We enjoyed the juicy apples very much."

upon their return. On February 18, Miss Dwyer's class will visit the San Mateo Historical Museum. This will be part of an introduction to the study of the first settlers in our area.

The students participated in a discussion of the numerous points of interest they had observed while journeying to and from their destination.

Terra Nova News

By Betsy Morrison

The sophomores sponsored a dance on Friday, February 15, called "Cupid's Capers." It was a Valentine dance and the decorations were on that motif. A king and queen were chosen from among those attending to reign over the festivities.

On Monday, February 11, the French Club had planned an excursion to the Rolladum in San Mateo. But, upon arriving at the rink, they found that it had been reserved for the evening by another group.

Not long at a loss for something to do, the group re-

paired to the home of one of its members, Jim Carr, for a party which lasted until 12 p.m. Games were played, refreshments served, everyone danced, and had a very good time.

On Friday, February 15, five students from Terra Nova participated in the opening competition of the Lion's Club Speech Contest. The subject was "Conformity: A Challenge To Me." The participants were Cheryl Crisp, Judy Bendik, Claudia Davis, Wilma Halcomb, and Mary Ann Flynn. The contest was held in the City Hall in Sharp Park starting at 7:30 p.m.

DANNY THOMAS was joined in his fight against child killing leukemia Saturday, February 2, by junior members of the press at the Hilldale Inn in San Mateo when he officially launched the 1963 St. Jude Hospital campaign in Northern California. Here he is joined by Percy Gillespie and the four children of Warren Wynne, all of San Francisco. Thomas, who is president of the charitable, non-profit Aiding Leukemia Stricken American Children (ALSAC), hopes to raise \$75,000 in the Bay Area to help support research and medical care at the St. Jude Hospital in Memphis, Tenn.

"Wonderful Wizard of Oz" AT COLMA SCHOOL FEBRUARY 22

The Wonderful Wizard of Oz" under the direction of Martha Bigelow Eliot, will be presented on the stage of Colma School February 22 at 1 and 3 p.m. at Benjamin Franklin School February 23 at the same hours. Tickets are available for the Colma School presentations and may be obtained by calling Mrs. Jack Bertken at PL 6-5353.

This production is being presented by the San Francisco Players Guild under the auspices of the Jefferson School District PTA Coordinating Committee. The San Francisco Players Guild is a non-profit educational institution that devotes its entire time, income, and energy to the production of classical plays with musical accompaniment directed to a large audience mainly composed of children of school age.

Each year the San Francisco Players Guild produces a new play which is performed by a talented full-time professional company of adult actors and actresses. Hundreds of schools and institutions book the play from year to year, and for many of the audience it is their first experience with live theatre. Last year, over 100,000 children's lives were enriched by what they saw and heard.

"The Wonderful Wizard of Oz" launches the San Francisco Players Guild's 13th season and marks the 18th production by the company.
